

**3 Days Training Workshop  
on  
PCB Designing and Electronics  
Project Development**

***Under the Guidance of  
Dr.B. B. Waphare  
Principal (MITACSC)***

**Date**

**25/10/2018  
to  
27/10/2018**

**Time**

***9:00 AM to 5:00 PM  
(For all the 3 Days)***

***Organizing Committee***

Prof. Sunil Mahajan  
Prof. Bhalchandra Pawar  
Prof. Shubhangi Gaikar  
Prof. Vandana Pagar  
Prof. Pallavi Mahagaonkar  
Prof. Ranvir Ghate  
Prof. Sandip Dhavale  
Prof. Vaibhav Galbale

***ABOUT MITACSC***

The mission for excellence in education field has resulted in creation of MIT ACSC. College was established in the year 2007 under the aegis of Maharashtra Academy of Engineering and Educational Research (MAEER's) Pune. It is affiliated to the Savitribai Phule Pune University and recognized by the Government of Maharashtra. The college is located in a quiet corner of the city on the bank of the holy river Indrayani. Its campus provides pollution free and peaceful environment to the students. It is well connected to the city by its bus network. Immense care has been taken to make available world-class infrastructure throughout the campus with all latest technological advancements.

MIT ACSC has received Education Excellence Award for best placements amongst Educational Institutions in Pune, Maharashtra.

Also MIT ACSC has got Best College Award in rural area by SPPU for conducting Social Welfare Activities effectively and excellently.

## Instructions for Participants

- 1) Students must carry their college Identity Cards.
- 2) TA & DA will not be paid by the college
- 3) Name of participants should be sent on the following email ID  
Email:etxdept@mitacsc.ac.in
- 4)Participants should present at the venue 30 min before workshop.
- 5)Certificates will be awarded to all participants as token of Participation.
- 6)Registration can.be done by Email / by phone call. (limited seats).

**Dear Sir/Madam**

It gives immense pleasure to inform you that Department of Electronics under the "'MITRONICS' is organising Three Days Training Workshop on PCB Design and Electronic Project Development from 25th October 2018. Your active participation will help us to have a fruitful training to the students of Science fraternity.

## About Workshop

To develop practical knowledge of electronic circuit development and inculcate research culture among the students. Also to make students comfortable with Printed Circuit Board (PCB) Design and Development Technology.
