Entrepreneurship Development Cell

Policy & Procedure

Entrepreneurship Development Cell has been established for the students of our college. We have tried to keep a track on the need for entrepreneurship development in the country and across the globe, have scanned the environment for new interventions, identified requirements for various target groups and have sought to come up with Entrepreneurship Development Cell. Aim of the Cell is to create a learning environment which builds and encourages students to develop passionate purpose driven by constructive action, creative competence and relentless resolve to deliver unreasonable success leveraging an extraordinary real world education.

Objective:

- To encourage the budding entrepreneurs to develop entrepreneurial skills.
- To impart and develop innovative aptitude and managerial ability among the students.
- To provide a sound knowledge and information to the students about setting up of small units.
- To nurture the business ideas of the students.

Policy:

Entrepreneurship Development Cell aims excellence in entrepreneurship development. It nurtures the young budding student-entrepreneur and boosts their entrepreneurial skills and paves the entrepreneurial ideas into reality.

The College annually structures the EDC committee .The committee consists of seven members including one member from each department. Interested students' membership is invited by making an official notice. Students are well informed about the EDC. Throughout the year several WORKSHOPS, TALK-SHOWS, SEMINARS are conducted for the advancement of the students. Conducive environment encourages the students to come up with new innovative entrepreneurial ideas. Students are asked to prepare an exclusive B-Plan, for which suitable guidance is offered by EDC Coordinator, experts from industries and well established entrepreneurs.

Key B-Plan are selected and further forwarded to various competitions and innovation incubation centres. The College has witnessed number of successful projects/B-plan which are successfully accepted by Savitribai Phule Pune University and further successfully executed and funded.

Procedure:

1. Create awareness and interest of students about Start-ups, entrepreneurship by organizing Orientation Program for all academic departments.
2. Lecturers of eminent personalities & Entrepreneurs.
3. Aware students about the B-Plan Competition conducted by colleges & Universities.
4. Requests the Librarian to purchase new Business journal & Magazine.

5. Take enrolment of interested students through Google forms & printed enrolment form.
6. Conduct Workshop, Seminar, and Orientation & Training program of Entrepreneurship.
7. Provide information regarding Start-up & Incubation Competition.
8. Exclusively use social platforms like WhatsApp groups, Email, Telegram for Communication.
