Suggestion given by alumni:-

1. Students should give more priority to practical.
2. Encourage learners to pursue certification and get useful knowledge.
3. The teaching and learning process is so effective that nothing need be changed.
4. Kindly conduct extracurricular activities.
5. Training for aptitude and competitive exams has to be provided prior to six to nine months before placement.
6. There is always a scope of improvement but as a MIT student we are satisfied.
