NEWSLETTER 2022-23

Dr. B.B.Waphare
(Principal, MIT ACSC)

" PRINCIPAL'S DESK "

MAEER's MIT Arts, Commerce and Science College always provide well academic atmosphere which is a wholesome and holistic exercise. We always focus on the integration of students in the qualitative Processes. It necessitates an innovation ecosystem to hone the skills of students in diverse programs to mould them to become notable change makers of the society. The aim is to make learning an enriching, fulfilling and enjoyable experience through a multidisciplinary approach, combining theory and practice in pedagogy. The focus should be on not only what is taught but also the "way it is taught". Research being an important pillar of academic growth, the thrust has to be on socially relevant, locally need-based, nationally important and globally significant Research initiatives. Creating fertile ground for effective Synergies between research and teaching skills, nurturing and fostering critical thinking and problem-solving among students is imperative. Hence our persistent efforts must be to leverage the intellectual and emotional capabilities of students, encourage the free and spirited exchange of ideas to celebrate diversity, while ensuring inclusivity. It should be our collective endeavor to promote an inspirational, motivational, value-based academic and administrative environment. Our earnest attempt should be towards upholding academic integrity, accountability, sustaining open and transparent systems and being sensitive to social responsibilities. This could be possible only through a collaborative, shared and consultative work culture. Building on the strong foundation of the college, let us all strive for cautious, consistent and catalytic improvement in the overall development, paving way for innovative ideas and thinking.

Let us all invoke the blessings of Saint Dnyaneshwara as we march ahead and gear up to myriad managerial, economic, societal and environmental challenges. It is a matter of great pride and satisfaction for MAEER's MIT Arts, Commerce and Science College, Alandi to bring out to newsletter VERVE. The college has made tremendous progress in all areas including academic, non-academic, capacity building relevant to staff and students. The college started new courses from academic year 2022-23. I am confident that this first issue of newsletter will send a positive signal to the staff, students and the persons who are interested in the technical education and technology based activities. A newsletter is like a mirror which reflects the clear picture of all sorts of activities undertaken by the college and develops writing skills among students in particular and teaching in general. I congratulate the editorial board of this newsletter that have played wonderful role in accomplishing the task in record time. I express my deep sense of gratitude to all staff for their contribution towards first issue of this newsletter.

Today's era demand digitization, automation and sophistication. Most of the business focused on transition from paper to digital and chalk to tech learning. We, MIT Arts, Commerce and Science college, Alandi, Pune is no exception to this. Our college strives for comprehensive eco-system for education which encompasses robust, strong and self-learning approach among the students. Quality, attitude and care for students is the focal point in all actions. Quality attitude covers four important elements- communication, empathy, rigor and relevance and lifelong learning approach of the staff. Care for career consists of doorstep knowledge, grooming, and making students industry ready and at the same time mindset furnishing from job seekers to job givers.

Dr. Manasi Atitkar
(Vice Principal, MIT ACSC)

"Verve" is the spirit and energy. It is one of the products of quality attitude which serves a strong platform for communication and showcasing the various dimensions and growth areas of MIT ACSC, Alandi, Pune. "Verve", newsletter reflects the beat, positive pulse and enthusiasm vividly through presentation of various recognitions, milestone achievements and path breaking activities of the college. It is new face and colour of MIT ACSC, Alandi, Pune. First newly addition of 2020-21 is the great publication in this current exceptional academic year. Due to the un-precedent situation of covid-19, entire education system has faced lot of transformation and MIT ACSC has nailed the performance by acclimatizing with this change in education system. I, hope this warm and gesture will be a good read for all our readers and stakeholders.

Attitude is quality Care for your Career

MIT ACSC constantly provides new dimensions to educational communication and use of technology. It assists and motivates teachers and students in creating engaging learning new experiences. Educational technology imperatives are at a crucial juncture when the Covid-19 pandemic has upped technology integration into all levels of education. This campus provides an opportunity for new educational developments like learning analytics, virtual classroom, learning design, virtual tutoring, personalized learning and instruction, and formative, AI and Deep Learning techniques in education and evaluation process feedback for complex learning.
Verve means Efforts are being taken to make students stand firm on their feet through knowledge and mentally

Prof. Akshada Kulkarni
(Vice Principal, MIT ACSC)

strong. According to Albert Einstein, "Education is not the learning of facts, but the training of the mind to think."Institute takes the initiative to provide local to global education. Foreign language club, coding club and international certification (Eg. Cambridge English Certificates), and Earning and learning these activities help students to become global employees and develop self-confidence. It provides an overseas opportunity for placement and higher education for students. The college offers Skill development for student and faculty exchange activities. We offer flagship events for leadership development. MIT ACSC Focus on delivering value-based education. It gives students members opportunities for employment in multidisciplinary education and innovative research engagement activities. It motivates faculty and students to Participative –in collaborative learning, teamwork, patience etc. Efforts are being taken to inculcate moral, ethical and professional values legacy of Indian knowledge and global skills. Actions are being taken to teach moral and professional values the legacy of Indian knowledge for "More Holistic and Multidisciplinary Education" implementation. It refers to ancient and liberal education in India, which provides for a comprehensive understanding of all fields of knowledge, from social sciences, physical sciences, humanities, and vocational and professional education. Holistic education refers to the development of physical, emotional and cognitive capacities. It refers to the all round development of personality.

Technology will never replace great teachers, but technology in the hands of a great teacher can be transformational. – George Couros

QUALITY EDUCATION & INFRASTRUCTURE *in India*

Faculty Awards

1. Dr. B B Waphare received the pre-eminent Academician International Award, 2022 for his excellence in Research and Teaching at Chennai Teachers Council on 21st November 2022.

2. Mr. Deepak Patil received Dr. Kalam Educator Excellence Award at DKIF Education Summit Awards on 9th April 2023.

3. Mr. AkshayKumar Patharel received Dr. Kalam Educator Excellence Award at DKIF Education Summit Awards on 9th April 2023.

4. Dr. Siddhant Wadmare received an award of excellence for outstanding contribution to Indian AVGC Industry from Golden Pixel Award on 22nd May' 22.

5. Dr. Siddhant Wadmare received Global Eminent Teacher award for outstanding service in teaching on 22nd November 2021.

6. Dr. Mangesh Bhople received an appreciation certificate from Student Development Board of Savitribai Phule Pune University for his contribution as Student Development Officer for the period of 2018-19 to 2020-21.

7. Dr. Mangesh Bhople received an award from Lokmat Newspaper Group for working for conservation of Marathi language amongst college students. This award was given on the occasion of Marathi Bhasha Gaurav Din i.e. on 27th February 2022.

8. Dr. Archana Aher received " Lokmat Marathi Krutdnyata Sanman" from Lokmat newspaper on Saturday, dated 26/02/2022.

STUDENT Achievements

Sports:

1. Mr Lokesh Mali received Gold Medal in Amateur Powerlifting Association Tournament Championship for Sub Junior Group 120 kg Category.
2. Mr Lokesh Mali is Selected for Asian Sub junior Games 2023 Pro League Asian Qualifying Powerlifting Tournament.
3. Mr Pawan Nimbalkar received Silver medal in Pro League Asian Qualifying Powerlifting Tournament.
4. Miss Mihika Thakur FYBBA(CA) secured 1st place in intercollegiate Badminton tournament organized by SPPU held at C T Bora College Shirur Pune .
5. Miss Amruta Gadekar FYBBA(CA) secured 2nd place in intercollegiate Badminton tournament organized by SPPU held at C T Bora College Shirur Pune .
6. Mr Yash Pinzan secured 1st place in Men's Single ISHRAE Badminton Tournament 2022.
7. Mr Sangarsh Kamble got Selected as Batsman for INCL Cricket Tournament Youth Talent Sports Association Cricket Matches 2022.
8. Miss Mihika Thakur , Miss Amruta Gadekar , Miss Sania Inamdar And Miss Samruddhi Ingale won 1st Place in the Badminton tournament held at D Y Patil College of Engineering, Pune.
9. Mr Mayur Jadhav , Mr Yash PInzan , Mr Vinit Panale and Mr Pankaj Gaikwad Won 3rd Place in the Badminton tournament held at D Y Patil College of Engineering, Pune.
10. Hardik Maheshwari has secured 3rd position in Inter-collegiate Table Tennis Competition held at Army Institute of Technology, Dighi.

STUDENT Achievements

NSS:

1. NSS Team won first prize in Street Play Competition held at Marathwada Mitramandal College,Kothrud.
2. Mr.Vikas Yadav attended Adventure Camp organized by Atal Bihari Vajpayee Institute of Mountaineering and Allied Sports,Manali.
3. Mr. Harshad Shivale and Prajakta Bavale Participated in State Level Tribal Culture Exchange Camp, Ratangad.
4. Mr.Sangram Dhembare and Sanjana Newase participated in State level Camp at Kalsubai.
5. Mr.Vikas Yadav Represented team Maharashtra NSS team at Republic Day Parade ,Mumbai.
6. Mr.Harshad Shivale and Mr.Vikas Yadav Participated in "State level Wari Y-20:Yuva Sanwad Panchpran" organised by Savitribai Phule Pune University
7. Mr. Krishna Madhukar Ubale participated in the National Integration Camp sponsored by Ministry of Youth Affairs and Sports, Government of India organized by NSS Regional Directorate, Pune.

Competitive Examination:

1. Mr. Abhishek Nikam, BSc(CS) has been qualified in Reserve Bank of India competitive Examination.
2. Mr. Chhoyan Neogi and Aniket Thorat, MSc(CS) are qualified in the ETS-GRE Examination.
3. Omkar Shinde, Anisha Agarwal and Rutik Gholap, BSc(CS) are qualified in the IELTS Examination.
4. Hritik Waghmare, BSc(Animation), has been awarded third place in the video film making competition organized by Atal Bhujal Yojana state project management cell on 26th June 2023.
5. Mr. Abhimanyu Sharma , TYBSc.(Mathematics) has successfully cleared CDS and AFCAT Examination.

STUDENT Achievements

Cultural Achievements:

1. Aakash Jangid of SY BBA-IB won the "Best Male Model " award in the Glamour Nova competition at MIT World Peace University's Cultural Fest Aarohan 2023.
2. Aakash Jangid (SY BBA-IB), Pornima Khedkar (FY BBA), Eti Bain (SY BCom), Prajakta Bawale (FY BCA(Sci)), Harshala Diwate (FY BCA (SCi), Aditi Andil (FY BCA (SCi), Oam Sontakke (FY BCA (SCi), Shreeyash Mirdote (FY BCA (SCi), Sangram Dhembre (FY BCs), Sanjana Newase (SY), Prachi (FY BCA (Sci)) secured 1st Place in the "Youth Play" streetplay competition organized by Edwise International held on 23rd November 2022 at Marathawada Mitramandal's College of Engineering, Karvenagar, Pune.

CoCurricularAchievements:

1. Prajakta Bawale, FYBCA(Science), has secured 2nd prize in inter-collegiate Elocution competition held at Camp Education Society, Arvind Telang College.
2. Nilesh Kumbhar, Shubham Ithape, Nilesh Sanjay Nikam, Aishwarya Aswale, Shruti Narkhede, Vaibhav Miskin, Prachi Ithape, Lekharaj khachane, Abhinav Raj have Secured position in top 10 ranking in Technocase (case study & programming competition) held at IICMR - MCA, Nigdi.
3. Sneha Kapse and Vaibhavi Kolamkar, SYBCom have presented the research paper in the State level Research Paper Writing Competition organized by St Mira's College under the guidance of Dr. Archana Aher.
4. Gayatri Mamdage and Anushka kusmade, FYBCom have presented the research paper in the National level Research Paper Writing Competition organized by Garware College of Commerce. Aakash Jangid of SY BBA-IB secured 1st Place in the Extempore cum Elocution competition at Savitribai Phule Pune Univesity's Swarrang 2022 organized at Fergusson College.
5. Aakash Jangid of SY BBA-IB qualified for the University Level of Inter-University Avishkar Research Convention 2022 under the Arts, Humanities & Languages category.
6. Aakash Jangid of SY BBA-IB participated in the P.C. Alexander Inter-University Elocution Competition organised by Savitribai Phule Pune University.

SPOKEN TUTORIAL

About Spoken Tutorial

Spoken Tutorial is a multi-award-winning educational content portal. Here one can learn various Free and Open-Source Software all by oneself. Many self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning, can learn from any place, at any time and in a language of their choice. The courses offered by the portal are simple and easy to follow even for a beginner but they also meet the growing needs of the learner. Portals engaging digital content ensures that learning happens at all levels - Basic, Intermediate and Advanced. The content mandates side-by-side practice thereby ensuring that learners are actively learning.

Many of the software taught, are used in various disciplines of Engineering, pure Sciences and several other Under-Grad and Post-Grad studies, and can be extended to Commerce, Arts and Management streams as well.

Faculty in institutes can organize their batch of students into groups, who will learn a particular software course for an entire semester. The Spoken Tutorial course can be mapped to the Course/Lab manuals and systematic learning can take place. If the academic timetable permits, then a single student can learn up to 3 different Spoken Tutorial courses in one semester during the designated academic Lab hours. End-of-Course online tests and certificates are available for those who wish to test their expertise in a particular software.

# Spoken Tutorial Activities conducted & Beneficiaries:

Activity conducted for the program.	Spoken Tutorial courses conducted in both Semesters	No. of students participated in Course	No. of students received certificates

LEARNING ENRICHMENT PROGRAMS

WORKSHOPS | WEBINARS | STUDY TOURS

GUEST LECTURE & ORIENTATION | INDUSTRIAL VISITS

RESEARCH CONTRIBUTION

Department of Science & Computer Science

STUDY TOURs
- Industrial visit to Artemis Tech Private Ltd, Bhosari, Pune
- Field trip Mauli Hi-tech Nursery

Guest Lectures & Orientations
- Guest lecture on "Automation Software Testing Tools"
- Guest lecture on Applications of Statistics in the Emerging Fields of Computer Science
- Expert lecture on 'Future of IT'
- Importance of Database IT Industry
- Use of Applications of Statistics in Computer Field
- Career Opportunities in Defense and Allied Services after Graduation
- 'Awareness and Opportunity in the field of Cyber Security'
- Guest lecture on "Web Development"
- Expert talk on "Indian Cyberspace and Cyber Laws: Security Challenges, Socio-economic Opportunities and Moral Dilemmas Workshops
- Workshop on "CodeIgniter Framework"
- Hands-on Workshop on HTML for SYBBA students
- Training on "Cyber Laws and Cyber Forensic tools"
- Two Days workshop on "Drone Building"
- "Yoga and Meditation" for girl students.
- Workshop on soft skill Development

Add-on Courses
- Add on course on MATLAB Programming and its applications in Electronics"
- Add on Course on "Aptitude Skills- Quantitative and Reasoning Skills" .

Department of Business Administration & Industrial Business

STUDY TOURs
- Industrial Visit to Agricultural Development Trust Baramati , Nandan Dairy Pvt. Ltd. Baramati and Cotton King Pvt Ltd. Baramati.
- Industry visit to Jawaharlal Nehru Port Trust (JNPT), Navi Mumbai.
- Visit to the Engineering workshop of MIT AOE Engineering College, Alandi .

Guest Lectures & Orientations
- Expert Talk on "How to give an Effective Presentation".
- "How to pursue BBA and MBA and Career Opportunities in Management field".
- "International Experience and Exposure."
- Guest Lecture on "Critical Thinking".
- Online Expert Talk on "Personal Finance".
- "Career Guidance and Opportunities in Management Education".

Workshops
- University Level Two Days Workshop on "Government Schemes for Entrepreneurship Development in Domestic & International Business".

Certificate Courses
- Certificate Course on "HDFC Mutual Fund Invest Verse Program".

Department of Mathematics

- Time and Friction Paper game.
- Intercollegiate Event MathsCon'23.
- Math Themed Scavenger Hunt.
- Guest Lecture on "Application of Mathematics in IT Industry".
- National Mathematics Day.
- Poster Presentations .
- Rapid –Fire Maths Quiz.
- Math Art Gallery.
- Guest Lecture on "Singular Value Decomposition and Applications".

Department of Computer Application

STUDY TOURs

- Industrial Visit to ExcelR, Baner, Pune.
- The Industrial Visit at "Barclay's Kharadi EON IT Park"

Guest Lectures & Orientations

- Guest lecture on Attitude Behavior Change (ABC) for success at work & in life
- "Make Yourself Ready for Industry"
- Guest Lecture on Cyber Crime Awareness and Security"
- "Career Opportunities in IT"
- "Career Opportunities in Cloud"

Workshops

- Training on Communication Skills and Interview Preparation"
- Two Days District Level Workshop on Digital Marketing"

Department of Computer Arts and Commerce

STUDY TOURs

- STUDY TOUR - SAKSHAM INDUSTRIES, CHAKAN, PUNE
- STUDY TOUR: INDUSTRIES AT BARAMATI

Guest Lectures & Orientations

- 'RESUME WRITING, GROUP DISCUSSION & PERSONAL INTERVIEW'
- Expert guidance on "Healthy Mind with Healthy Thoughts: A Way to Success".
- Expert guidance on "Networking System: Its components and functioning."
- 'Career Opportunities in the Fields of Accounting and Taxation'
- Expert Guidance on "Shortcuts in Quantitative Aptitude ".
- Career Opportunities in the field of Data Analyses and Financial Analyses
- Expert Guest Lecture: Competency Building Model
- Report on 'Enhancing Communication Competence in English'

Workshops

- Workshop on Nutrition and Health Guidance

FACULTY ENRICHMENT PROGRAM

Investing For Amrit Kaal-India @100 Years

The Faculty Development Program was organized for teaching and non-teaching staff on investments and savings, covering topics like emergency funds, spending patterns, mutual funds, risk-adjusted returns, and market fraud prevention.

Speaker:

"Mr. Kuldeep Thareja & Mr. Neelratna R. Chowbal", Content Manager, ABSLMF.

Workshop on Stress Management

The Human Resource Department and Faculty Development Program Committee organized a workshop on stress management for the college's Teaching & Non-teaching Staff, providing strategies to handle challenges, changes, and pressures.

Speaker:

Mr. Vijay Joshi, Mr. Ajit Phaphale , Manashakti Research Centre, Lonavala, Maharashtra Workshop on Stress Management.

Professional Skills Development Programs

Global Certification Program

MIT Arts, Commerce & Science College, Alandi(D) in association with Cognitive Exchange California has been conducting courses for the students for the last seven years. These courses give emphasis on English public speaking and debating skills. They are free courses and after successful completion, students receive a certificate. Basic Speech Course, English foundation and Advance Speech Course are conducted.

Winners under the Cognitive Exchange Program

- Kunal Mungase Dnyaneshwar
- Sayali Santosh Gade
- Snehal Vijay Choudhari

MOUs

The college signed MOU with different educational and training institutes for the professional skills development of the students. Students take benefits of various add on courses run under these MOUs.

No.	Organisation	Purpose and Activities
1.	MIT ADT University	Preparation Centre for Cambridge English Examination & Training of Teachers / students
2.	Edunet Foundation	To conduct Orientation Sessions for learners for career growth
3.	Dr. Dhananjayrao Gadgil Centre for Sustainable Village Development & Gokhale Institute of Politics & Economics, Pune	For Knowledge- College- Village collaboration scheme for sustainable development of villages.
4.	Bhasha Academy	To conduct lectures of German & French Languages.
5.	G-Institutions & Consultancy, Mumbai	To conduct joint workshops/ webinars/ expert lectures/ certificate courses/ training programs on the topic financial well-being.
6.	i-School Connect Technologies	To provide career & future education- oriented guidance to students. Also aid the lead to seek future admissions to a degree program worldwide.
7.	IMS Learning Resources Pvt Ltd.	To arrange expert lectures and workshops on competitive examinations like CAT/GMAT/CET & to provide campus recruitment training.
8.	ICT Academy	To train the faculty members and also to develop and maintain a world class ICT industry related curriculam and content in close association with Academia & industry.
9.	Friends Union for Energising Lives (FUEL)	For providing career guidance & skilling to the students
10.	Textbook Edu Solutions Pvt. Ltd.	To complete preparation for job & internship -Live aptitude texts & company specific Mock Tests, Live Bootcamp from top industry experts.
11.	Preskilet Edtech Pvt. Ltd.	To provide an online platform for facilitating online uploading of the presentatoons of the students & its evaluation by teachers. Also to improve students communication & resume making skills.
12.	ExcelR	Training of Students & Teachers.
13.	IDP Education India Pvt. Ltd.	For promoting overseas education to the students
14.	eClerx	Training of Students to enhance the employability of students of the institute through skill based training in Investment Banking.

Research and Development Cell

Research Contribution

The faculties actively contribute in developing research culture in the college. At present 8 faculties are Ph. D. holders and 30 have registered for it. They are also engaged in research papers and book writing. Around more than fifty research papers are published by the faculties and eighteen research papers are published by the students

Major Research Project for 2021-22
Staff Research Achievements

Prof. Abhijit Netke received a research grant of Rs. 45000 from Principal Dr. D. G. Karve research chair of BMCC research center for the research project titled "A study of sanitation worker's Socio Economic Development of Pune Municipal Corporation in Pune City"

Teachers who were Ph.D. Awarded during 2022 -23

Dr. Aniket Nagane   **Dr. Sunil Mahajan**   **Dr. Kavita Mahajan**

No. of PHD holders: 24 | No. of PHD pursuing: 44

Staff who have received Guideship during the year 2022-23

Dr. B.B. Waphare has been Recognized PhD. Guide in the Subject of Mathematics by Savitribai Phule Pune University

Dr. Sharad Kadam has received recognition as Ph.D Guide from Savitribai Phule Pune University in Commerce and Management

1. **Dr. Sangita Birajdar**, & **Dr. Sunayana Shivthare** received recognition as Co-guide from JJTU, Rajsthan in the subjects Statistics, Electronics and Computer Science & Applications respectively
2. **Dr. Sunil Mahajan** received recognition as Co-guide from JJTU, Rajsthan in the subject Electronics.
3. **Dr. Sunayana Shivthare** received recognition as Co-guide from JJTU, Rajsthan in the subject Computer Science & Applications.
4. **Dr. Sharmila More** has been appointed as Co-Guide at JJTU, Rajasthan in the subject of Computer Science and Applications
5. **Dr. Kirti Raskar** has been appointed as Co-Guide at JJTU, Rajasthan in the subject of statistics.

Patents Granted To The Staff

Mrs. Mayuri Bapat published patent on Artificial Intelligence Based Interest of Thing Designing Based Manufacturing System In Industry 4.0

Mrs. Sangeeta Borde published patent titled "IOT & Artificial Intelligence based Smart Electrical Load Transmission, Distribution, Observing and Monitoring System using PLC and webserver"

Mr. Ranvir Ghate published on "A Systematic approach enabled with IoT Technology to Monitor the water Resource Avoiding Disaster " got published

Mr. Abhijit Netke published patent titled "A Method for Predicting an Investment Behavior by Analyzing an Effect of a Global Event on a Stock Market"

Dr. Sharad S. Kadam & Dr. Mangesh M. Bhople published Patent titled "Designing And Implementing A Framework of Big Data Analytics Integrated With Iot to Support the Financial Management Sector of Organizations"

Dr. Vikas Mahandule Published patent titled "Artificial Intelligence and Supply Chain Management - Assessment of the present and future role played by AI in the supply chain process"

Mr Shriram Kargaonkar published a Patent titled "Statistical Analysis of Numerical Attributes of Brain Tumors and Predict the Life Expectancy through Confusion Matrix Instances"

Prof. Vijayalaxmi Kothiwale has published patent titled "Design & analysis of websites effectiveness using graph theory"

German patent is Granted to Dr. Sangita Birajdar, Dr. Sharmila Sharad More, Prof. Manisha Patil, Prof. Arvind Waghaskar, Dr. Sandip Dhavale for "A System For Monitoring Environmental Changes Due To Pollution And Forecasting Tree Planting Needs"

Prof. Vijayalaxmi M. K. published patent on topic " A method of evaluating fuzzing transportation problems using robust ranking technique."

Prof. Sushma Chalke, Prof. Manjula Chaudhari published a patent on the topic "A Fixed-point iteration method for solving nonlinear equations."

Prof. Manjula Chaudhari published patent on topic "A Numerical method for solving Eigen value problems"

Prof. Rashmi Lad and Prof. Vaishali Kherdekar has published patent titled "Machine learning Based Device for Cooling the Brain and Associated Neurologic Tissues to prevent Neurologic"

Prof. Anupama Alagannawar and Dr. Sunayana Shivtare published patent titled "Automatic smart health care system to monitor and predict all types of Lung disease and Lung Cancer for good Health care Management using image processing, Cloud and Machine learning Algorithms."

Prof. Bareen Shaikh and Prof. Kavita Shinde published patent titled, "Smart Healthcare Management System for Diabetes prediction & for blood glucose measurement using Machine Learning algorithm & Neural network method"

- -

R&D cell conducted workshop & guest lectures for students and staff on:
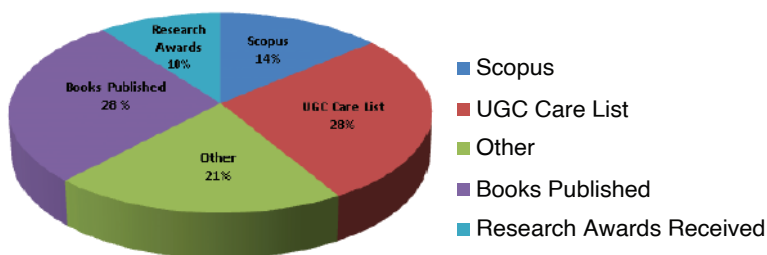

1. One day hand-on workshop for students on "Google Research Tools" and 160 students participated in it.
2. 3 Days lecture series for students on Research in which more than 300 students participated.
3. Expert talk for faculty members on "How to write quality research papers and research ethics"

Maitree: Alumni Association

During 2022-23, Maitree, the Alumni Association of MIT ACSC, organized 10 guest lectures and 1 Alumni Meet, benefitting 944 students. Guest lectures covered diverse topics, including higher education abroad, campus placement strategies, B.B.A. to M.B.A. path, interview preparation, market insights, and more. The following alumni graciously conducted guest lectures at our college: Pratima Saste, Rutuja Kalokhe, Pratiksha Khedkar, Miss. Arpita Gorai, Mr. Shantanu Lakal, Komal Jadhav, Mr. Aritro Chakraborty, Vivek Kumar, Amruta Kale, Ms. Sonali Honrao, and Mr Pankaj Pawar. Their active participation is deeply appreciated.

The Alumni Meet, hosted on March 25, 2023, welcomed 307 alumni from 2018 to 2022 (Male: 164, Female: 143). The event offered a platform for reconnecting and learning about their workplace achievements. Each alumnus received a memento symbolizing their lifelong bond with the college and gained insights into college activities. The gathering concluded with refreshing interactions and shared memories among batchmates.

Young Speaker Club

Report of Leadership Skill Development Program

The Young Speakers Club volunteers organized a leadership program for seventh to ninth standard students. The event included engaging activities like balloon carrying and a pen-in-a-glass challenge. Discussions about skills and interests took place, followed by student performances of Bhajan, Abhangas, and Dohas. Students received stationery, balls, and snacks. Dr. Padmavati S. Undale from the Arts and Commerce Department highlighted daily involvement for leadership development. Dr. B. B. Waphare, the Principal, provided guidance and support.

REPORT OF OPEN MIC PROGRAM

The Young Speakers Club hosted the Open Mic Program, featuring twelve students across various departments. This platform enabled students to openly present poems, inspirational stories, and speeches. Performance recordings were shared to facilitate self-analysis and growth. Dr. G. B. Singh, present as an observer, offered guidance on microphone and camera presentation techniques.

REPORT OF OPEN STUDENT PARLIAMENT

The Department of Arts and Commerce's Young Speakers Club hosted the "Open Student Parliament 2023 - Be the Voice of India" on May 13, 2023. College students were invited to share their perspectives openly on this platform. Participants from different departments presented their ideas eloquently and effectively. The event incorporated roles like Prime Minister, Opposition party leader, and Speaker, assigned to students, following the Indian Parliament Protocol.

Prakruti Club

Workshop on Making Eco-Friendly Ganesh Idol

The workshop was conducted by the Prakriti club on 26 August 2022 under faculty Sangita Borde.It was conducted by Atul Waman and Tanishka Bhosale,students of FY Bsc(CS) who presented their idea very nicely for making Ganesh Idol. The skill and knowledge shared by the presenter students were appreciated by our beloved Principal Sir, Vice Principal Mrs.Akshada Kulkarni Mam, and Head of Computer Science Department Mrs. Rashmi Mam.

The workshop was organised for the occasion of Ganesh Chaturthi and the motive was to promote the use of eco-friendly ganpati idols to reduce the pollution caused by the plastered Ganesh Idols. Total of 45 teachers and students from different departments participated and showed great interest in the process.

Exhibition & Sell of Handmade Products

A Department level activity was organised for the first time on 27th March 2023 & 28th March 2023 by the Science and Computer Science Department which was Coordinated by Mrs. Sangeeta Borde under the guidance of Dr. Sangita Birajdar (HoD of Science and Computer Science) & Dr. B.B. Waphare (Principal).

Exhibitione had total of nine stalls which were Pooja Thali Stall, Handmade Jewellery, Food item stall, Chocolates & Brownie stall, etc.

The main objective of organizing this event is to provide motivation to students about the entrepreneurship and to bring out the hidden talents of the students and built their confidence.

Certificate Course in Yoga & Meditation

The course was conducted under Prakriti club between 24 to 26 April 2023 from 4:00 p.m. to 5:30 p.m. This activity was Coordinated by Mrs. Sangeeta Borde under the guidance of Dr. Sangita Birajdar (HoD of Science and Computer Science) & Dr. B.B. Waphare (Principal).

The purpose was to provide motivation , build strength, increase flexibility, reduce stress, lower blood pressure, to make healthier life choices, and many more for the girl students.It was to spread awareness about health issues among the girl students. The Yoga and meditation sessions are arranged to give them energy, mental stability, physical fitness & positivity.

Certificates were awarded to all the participants by Dr. Sangita Birajdar Mam, HoD (Sci & Computer Science department).
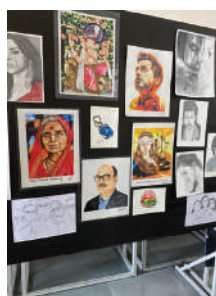

KALASAGAR
ART AND CRAFT EXHIBITION

Kalasagar Art and Craft Exhibition was held on 27th and 28th March 2023.It was held mainly to encourage students to exhibit their hidden talents. It was entirely the efforts of the students. We got a huge response and collections of Art work of around more than one hundred and thirty articles. Huge collections of paintings, drawings and sketches, portraits and craft works were submitted from students. The exhibition was inaugurated in the hands of honorable principal Dr. B.B.Waphare in the presence of students and staff members. The judges for this event were the alumni of the college, Ms. Damini Kokane and Paresh Mahaeshwari. The exhibition was open for two days and student's creativity and crafts work were exhibited.

The winners were awarded with the trophy and certificate during the annual social gathering.

Sustainable Green Campus

In addition to be learning centers, our college has self-contained communities that are supported by vast systems of institutional and operational functions. To create awareness regarding environmental policy amongst the students and the management, College initiatives for green and sustainable campus are:

- To bring in use the 'Rain Water Harvesting' on the campus we have collected the rain water from the college roof and it is percolated in the land.
- The college has facilities for alternate sources of energy and energy conservation measures Solar Energy, Wheeling to the grid, Use of LED bulbs/ Power efficient equipment's.
- Use of the solid waste through vermin-compost on the campus and use it as a fertilizer.
- Plastic Free Campus.
- Ban on Noise.
- For Divanghan's , Wheelchair accessibility is maintained through ramps and lifts.
- Use of the 'Use me' Dry and Wet dust bins in the college campus so as to keep college campus clean.
- To protect and nurture the Flora and Fauna on the campus.
- 'Green Audit' is done regularly to maintain green campus.
