## Grievance Redressal mechanism for Faculty, staff and students:

MIT Arts, Commerce & Science College, maintains dedicated Grievance Redressal mechanisms for faculty, staff, and students to ensure a healthy campus environment. The Student Grievance Redressal Committee, chaired by the Director - Dr. B. B. Waphare, investigates complaints related to indiscipline, ragging, harassment, and malpractice, involving members from faculty and students to verify facts, examine parties involved, and decide appropriate actions. Similarly, the Staff Grievance Redressal Committee, also chaired by the Director with HR Manager as Member Secretary and HODs as members, addresses faculty and non-teaching staff issues by probing complaints, gathering facts, and resolving grievances to promote a positive workplace. These committees operate as per institutional notices available on [mitacsc.ac.in](http://mitacsc.ac.in), focusing on timely and fair resolution.

## **Establishment of Online Grievance Redressal Mechanism**

MIT Arts, Commerce & Science College has established an online grievance redressal mechanism, particularly evident in its Prevention of Caste Based Discrimination Committee, which provides a direct link for students, teachers, and non-teaching employees to lodge online complaints for timely resolution. The Student Grievance Redressal Committee supports this by investigating complaints related to indiscipline, ragging, harassment, and malpractice, with procedures that align with online submission and verification processes as per institutional notices. This digital platform ensures efficient handling of grievances, complementing traditional methods and promoting a fair campus environment as outlined on the [mitacsc.ac.in](http://mitacsc.ac.in) website.

### **Admission Procedure:**

Admission to **Bachelor of Computer Applications (BCA)** and **Bachelor of Business Administration (BBA)** undergraduate programs in the state of **Maharashtra** is primarily conducted through a **state-level entrance examination** known as the **MAH-BCA/BBA CET** (Common Entrance Test) which was introduced recently for the academic year 2024-25 onwards. This test is **mandatory** for candidates seeking admission to BCA, BBA, BMS and related professional degree courses in most colleges across the state, replacing the earlier practice of merit-based college admissions alone. The **State Common Entrance Test Cell** of the **Government of Maharashtra** is the authorized body responsible for conducting this entrance examination, publishing results, and managing the **Centralised Admission Process (CAP)** for these programs. The CET is typically a **computer-based test** with objective-type questions covering areas such as English language, reasoning, general awareness and basics of computers, and the score obtained in this test is used to determine eligibility and merit for admission. After qualifying in the CET, students participate in the CAP rounds where they fill in their preferred colleges and courses, and seats are allotted based on their CET rank, category and availability.

### **Barrier Free Built Environment for disabled and elderly persons:**

The institution ensures a barrier-free built environment to support disabled and elderly persons. Facilities such as ramps with handrails, wide doorways, non-slippery flooring, accessible toilets, and proper signage are provided to enable easy movement and independent access. These measures help create an inclusive, safe, and user-friendly campus environment for all.

## Innovation Cell

The **Startup & Innovation Cell** at **MIT Arts, Commerce & Science College (MIT ACSC), Alandi (D), Pune** is a dedicated committee established to promote a culture of innovation, entrepreneurship, and creative thinking among students and faculty. The Cell, formed each academic year with members from various departments, aims to **nurture business ideas, encourage budding entrepreneurs, and develop innovative aptitude and managerial skills** in students. It organizes and supports initiatives such as idea competitions, Smart India Hackathons, grand and mini challenges, and other innovation-centric activities that inspire young minds to explore new concepts, processes, and solutions. Through these efforts, the Innovation Cell enhances student engagement with real-world challenges, helping them transform their ideas into meaningful projects and startup ventures.

## Social Media Cell

The **Social Media Cell** at **MIT Arts, Commerce & Science College (MIT ACSC), Alandi (D), Pune** is a dedicated platform that manages and enhances the college's presence across various digital and social media channels, helping to keep students, faculty, alumni, and other stakeholders informed about campus activities, achievements, events, and announcements. Through active engagement on platforms such as Facebook, Instagram, LinkedIn, YouTube, and others, the cell plays a key role in promoting the institution's brand, fostering community interaction, and strengthening connections with both internal and external audiences. This initiative supports the strategic goal of broadening social engagement and enhancing communication by sharing timely updates, success stories, and highlights of college life to a wider online community.

## Games and Sports Facilities

The **Games and Sports Facilities** at **MIT Arts, Commerce & Science College** are designed to promote physical fitness, teamwork, and all-round development of students by offering a wide range of indoor and outdoor sports amenities. The college provides well-maintained courts and grounds for popular outdoor games such as **volleyball, basketball, cricket, and kabaddi**, along with spaces for football and other team sports, enabling students to engage in competitive and

recreational play. For indoor activities and leisure, there are provisions for **table tennis, chess, carrom, and a gymnasium** that support both physical exercise and strategic games. Under the supervision of the Department of Physical Education, student teams regularly participate in intercollegiate sports events organized by Savitribai Phule Pune University, fostering sporting spirit and excellence across various disciplines.

## **Teaching–Learning Process:**

- Designed to be **student-centered, outcome-based, and competency-oriented**, aligned with Outcome-Based Teaching and Learning (OBTL).
- Focuses on measurable learning outcomes, active participation, and continuous improvement.

## **Planning and Design**

- Clearly defined **Course Outcomes (COs)** and **Program Outcomes (POs)** aligned with institutional vision, mission, and graduate attributes.
- Structured course plans and lesson plans prepared by faculty.
- Flexible curriculum delivery to address diverse learner needs.

## **Teaching Methodologies**

- Adoption of **learner-centric pedagogies** such as:
  - Interactive lectures
  - Problem-based and project-based learning
  - Case studies and simulations
  - Group discussions and collaborative learning
  - Laboratory and hands-on activities
- Effective use of **ICT tools**, e-learning platforms, and digital resources.
- Faculty act as **facilitators, mentors, and instructional coaches**.

## **Assessment and Evaluation**

- **Continuous and outcome-oriented assessment** practices.
- Use of formative and summative assessment methods:
  - Quizzes and assignments
  - Presentations and projects
  - Practical examinations and end-semester evaluations
- Transparent evaluation through rubrics and performance indicators.

## **Learning Support and Feedback**

- Academic support through mentoring, remedial classes, bridge courses, and enrichment programs.
- Regular feedback from students and stakeholders.
- Analysis of outcome attainment to improve teaching strategies and curriculum delivery.

## Learning Outcomes

- Development of key **graduate attributes**:
  - o Critical thinking and problem-solving
  - o Communication and teamwork
  - o Ethical and social responsibility
  - o Lifelong learning and adaptability
