## REVIEW REPORT

As per the request from Department of Electronic Science, MIT Art's, Commerce and Science College, Alandi (D), Pune to review the syllabus designed by faculties of Department of Electronic Science.

The syllabus designed for the Add-On Course in "MATLAB Programming and its applications in Electronics" is looking good. I went through the draft of syllabus. In your draft of syllabus many electronic related simulation are included. As you mentioned that add-on course is for second B.Sc and BCA students. I just want to give you some suggestion.

The following are the suggestion for Add-On Course in "MATLAB Programming and its applications in Electronics"

- Remove the part of mathematical analysis using MATLAB.
- Managing the Workspace, Getting Help add as sub point in unit 1.
- Adding titles, axis labels, and annotations add in unit 2.
- Specifying line styles and colors add in unit 2.
- Program for Diode Characteristics add in unit 4.
- Program for communication like ASK, FSK, PSK and BPSK add in unit 4.

Thanking you,

  
Dr. Sachin Chavan  
Vice Principal,  
G H Raison College,  
Wagholi, Pune

## REVIEW REPORT

As per the request from HOD of Department of Electronic Science, MIT Art's, Commerce and Science College, Alandi (D), Pune to review the syllabus designed by faculties of Department of Electronic Science.

I went through the draft of syllabus provided from you. The add-on course of "MATLAB Programming and its applications in Electronics" is help students to do the career in field of electronic and computer science. The designed syllabus is excellent. But as you mentioned that add-on course is for second B.Sc and BCA students. Recent trend of MATLAB is to solve mathematical problem using software. Image processing is one of the areas where MATLAB is used. This syllabus is only relates with basic introduction of MATLAB and electronic related simulation. My suggestion is to add Image Processing chapter at the end. Here I will suggest sub points please go through this.

The following are the suggestion for Add-On Course in "MATLAB Programming and its applications in Electronics"

### Image Processing

1. Image types
2. Importing and exporting images
3. Displaying images
4. Finding image characteristics
5. Converting Image Formats
6. Applying image enhancement techniques
7. Adjusting Image intensity
8. Image Enhancement
9. Image filtering

Thanking you,

Prof. Vaishali Katkar,

Subject – Approval of BOS (Sci. & Tech.) for Add-on course.

Respected sir,

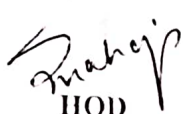

With reference to the above subject, we are pleased to apply for the approval of BOS for Add-on Course. In the academic year 2018-19, we are going to conduct “MATLAB Programming and its applications in Electronics” as an Add-on course. Objective of this course is to provide basic knowledge of MATLAB, to make the students learn the features of MATLAB as a programming tool and to provide hands-on experience with performing image analysis. This course will act as a stepping stone for career development of students.

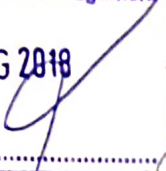

We kindly request you to approve the same.

Learn 'C' With Fun

Course Syllabus

1. Introduction [2 hrs]

- Introduction to C
- History
- Structure of a C program
- Application Areas
- C Program development life cycle
- Sample programs

2. C Tokens [2 hrs]

- Keywords
- Identifiers
- Variables
- Constants – character, integer, float, string, escape sequences
- Data types – built-in and user defined
- Operators and Expressions Operator types
- Simple programs using printf and scanf

3. Control Structures [8 hrs]

- Decision making structures If, if-else, switch
- Loop Control structures While, do-while, for
- Nested structures
- break and continue

4. Arrays [7 hrs]

- Array declaration, initialization
- Types – one, two and multidimensional

5. Functions [6 hrs]

- What is a function
- Advantages of Functions
- Standard library functions
- User defined functions :Declaration, definition, function call, parameter passing (by value), return keyword

6. Structures [5 hrs]

- Creating structures
- Accessing structure members (dot Operator)
- Structure initialization
- Array of structures

**COURSE PROPOSAL**

**Introduction:** The “Technical Skills Development” course for the students of FY & SY B.Sc. (Computer Science) is a 30 hours course conducted to horn the technical skill in C and CPP languages. The initiative behind conducting this course is to make student more proficient in using C and CPP like programming language so that they can confidently appear for the placement in companies.

**Course:** Technical Skills Development

**Provider:** In house faculty

**Proposed Dates:**

**Duration:** 30 hours

**Location:** Lab 1,2,3

**Target group:** FY BCS(Computer Science) and SYBCS(Computer Science) students

**Number of Participants:** 60 students

**Charge per student:** Rs.50/-

**Organized by:** Department of Computer Science

**Course Contents:**

1. Introduction to Programming
2. Data types
3. Programming Structure
4. Summarizing the concept learnt in C and CPP
5. Trace the output/ Find the output
6. Practice session ( More than 300 Examples)

**Objective of course:**

- To familiarize student with procedure oriented and object oriented programming languages.

- To provide programming perspectives of C and CPP languages.
- To develop skills for writing programs using 'C'.
- To understand issues related to compilation and execution of programs.
- To develop problem solving abilities using a computer.
- To horn over all technical skill in students.

**Outcomes of course:**

At the end of the course, student will be able to:

- Appear for the interview and test in companies.
- Solve objective as well as descriptive programming problems more efficiently.
- Develop problem solving abilities using a computer.
- Build-up a successful career in Computer Science.

half of the year, 2019

Sir/ Madam,

Referring to the above mentioned subject, I am directed to inform you that the University has appointed you as External Senior Supervisor, which is also referred as Observer for University Examination under the provision of Maharashtra Public Universities Act 2016, section (48) (1) (d) and ordinance 8 (4). The details of your place of work is as follows :

**Centre and Place of Examination**

**Shri Gajanan Maharaj Shikshan Prasarak Mandal Sharadchandra Pawar Arts and Commerce College Addr: Alandi-Devachi(dudulgaon) Tal: Khed Dist: Pune, Pincode: 412105**

<u>Name of Examination</u>	<u>Duration of the Appointment</u>	
	From	To
All Exams conducted during this duration	20 Mar 2019	30 Mar 2019

It is brought to your notice that, it is legally bounded duty for you to attend this work. The Maharashtra Public Universities Act 2016, section (48) (4) reads as follows :

*"It shall be obligatory on every teacher and on the non-teaching employee of the Universities, affiliated, conducted colleges, community colleges or recognized institution to render necessary assistance and service in respect of examination of the university and evaluation of students as prescribed by statutes. If any teacher or non-teaching employee fails to comply with the order of the university or colleges or institution, in this respect, it shall be treated as misconduct and the employee shall be liable for disciplinary action. In case of failure on the part of the teacher or non-teaching employee of any affiliated college, conducted college, community college or recognized institution, to comply with the order of the university in this respect, the Vice-Chancellor shall have power to take an appropriate action against them, which may include imposing penalties including suspension of approval to the appointment of a teacher, as may be prescribed by Statutes."*

Hence it is brought to your notice that this duty is compulsory and failing to report will attract the action under Maharashtra Public Universities Act 2016, section (48) (4) coupled with Statute - 431 : "Grounds for taking any disciplinary action against a teacher" and Statute - 431 (iii) "Willful and persistent neglect of duty"

In addition to your duties as External Senior Supervisor you are also the Observer and representative of Director, B.E.E., Savitribai Phule Pune University, and you will be responsible for Director, B.E.E. You should take guidance only from Director, B.E.E. It is your bounded duty as representative of Director, B.E.E. to ensure copy free and orderly conduct of examinations. If there are any irregularities committed by college, it is your duty to bring them to the notice of Director, B.E.E. In some examination centres Police Bandobast is also provided. This will be at your disposal and you should take round with police constable to ensure there is no copying at the centre. Further at some centres videographers are provided. They will also be at your disposal. Videographer should do videography in examination hall as well as outside under your supervision and ensure copy free examination or no any other examination unfair means.

Needless to say that the entire work organization of University examinations is a team work and requires full support and co-operation for every corner, to make it success. I am confident that you will continue to extend your full support and co-operation for this task and oblige.

Thanking You,
