

Read To Lead

Production & Operations Management

**THAKUR PUBLISHERS
PUNE**

**Dr. Anjali Kalkar
Prof. Sharad S Kadam**

About the Book

The book "Production and Operations Management" is designed to acquaint the students with decision-making in: Planning, Scheduling and Control of Production and Operation Functions in both manufacturing and services. It covers production system, plant location and layout, product design and development, production planning and control, productivity, ergonomics, quality management, etc. effective and efficient flow, replenishment and control of materials with reference to both manufacturing and services organisations. Though targeted for graduate students, this book should be useful to the post-graduate students and practicing managers too.
