MIT Arts, Commerce & Science College, Alandi Pune, Department of Arts and Commerce organized a Study Tour to 'SASA', Shri Mahila Griha Udyog Lijjat Papad, Sanaswadi, Pune on 3rd December 2016 under the able guidance of Principal Dr. B.B. Waphare.

Motive behind organizing this trip was to provide the practical exposure to the students of TYBCOM in the field of Commerce and Management. Students of TY BCOM (48) actively participated in this study tour. Tour started in the morning at 10.00 am in the Aim of one day return. We reached to the destination around 11.30 am, 35 km approx. from the college campus. Students were provided with two college bus and were accompanied by the staff members of Dept of BA and BCOM.

Students were taken to the 'SASA' Detergent Factory (Shri Mahila Griha Udyog Lijjat Papad) after their breakfast. Within the industry premises Mr. Chordia-Manager took charge and had taken the group to the plant around noon and briefed up with the introduction about the plant as well as the number of production lines. Students observed the various processes involved in detergent making very keenly. The factory is fully semi-automated. Students were amazed at the speed at which the process occurred and how the system could work according to the requirements. The manufacturing process adopted by

them is batch process. Thereafter Mr. Chordia-Manager arranged lunch for all of us. The visit concluded by late afternoon. The industrial visit to 'SASA' was an enriching experience for students in getting live exposure of manufacturing which can help them in their internships and further career enhancements.
