Department Of Computer Application

Academic Year: 2017-2018

Report on “Computer Awareness Program”

Objective of the Activity:

Keeping up with the latest trends and technology is a part of everyday's life, the aim of this activity is to make people aware of Computer & its advantages. The objective is to teach them about basic fundamentals of computer & how to use internet.

Activity Details:

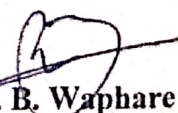

Having sensed the potential of Computer & Technology, Department of Computer Application has taken an initiative to create Computer Awareness among the people around Alandi Area. 25 people were enrolled for this activity. Faculties of Computer Application Department taught the basic fundamentals of Computer, Microsoft Office, how to use internet, creating email accounts, and proper use of Google & YouTube etc. Also faculties taught them internet banking, how to pay bills online, how to book tickets online and many more. The duration for this activity was from 16th April, 2018 to 02nd May, 2018.

Outcome:

Enrolled People have started using computer & internet. They are able to create their bio-data in MS Word, presentations MS PPT, mark sheets in MS Excel. They have created their own email accounts & able to send & receive emails. Also they got sound knowledge of internet banking & e-commerce. There was a true sense of satisfaction overall.
