## COGNITIVE EXCHANGE REPORT 2018-2019

### **ABOUT COGNITIVE EXCHANGE:**

Cognitive Exchange is An Education non-profit organization based out of Folsom, California, USA. Cognitive Exchange started as a new idea created by a group of students from Folsom, California with one objective in mind "To promote free and independent thinking to students around the world through speech and debate". The students from California are helping our students obtain important life skill beyond their basic academic curriculum. They are providing the students with the platform to discuss local and global issues. They are preparing them for their future. They aspire students gain the skill they need to become an active participant in their community.

### **LEARNING OBJECTIVES:**

They help the students around the world (starting in India) develop advanced communication skills, confidence and promote free and independent thinking.

### **WHAT IS THEIR PLAN?**

Their plan is to spread this club into multiple areas through California. They want this program to be accessible to all schools and students who need it regardless of their location or financial situation.

### **SELECTION PROCESS:**

We had selected 4 to 5 students from a different stream of the college. The Regional Coordinator from India Mr. Amit Deokule came to select students for the first batch. The selection criteria comprise interview, on the spot speech on given topic and questions. Out of 35 students he selected 15 students for the first module.

### ABOUT MODULES AND SESSIONS:

Cognitive Exchange program covers 4 Modules and each module comprises 8/9 sessions. The students have to undergo each module and upon successful completion of the module, they are deemed eligible for the subsequent module. We at MIT Arts, Commerce and Science College started with the first module (Introduction to Speech) from 15/9/2018, the first module comprises of 8 sessions and the session duration is typically 1 hour 30 minutes. All sessions were online and were conducted through Zoom software. All 8 sessions were arranged on every Saturday at 9.30 am. Total 15 students were selected for the final competition which was held on 9/12/2019 (a 9<sup>th</sup> week from the day of commencement). The criteria for students qualifying for the competition were based on the overall performance of the student and their attendance for the entire sessions. Out of the 15 students only 12 students had participated in the competition. Out of 12 students, 3 students won Gold Medal. Felicitation of Gold Medalist and Certificate distribution is done by the hands of Dr.B.B.Waphare (Principal) and me on 28/2/2019.
