Subject: Regarding Free Scholarship Education.

Respected Sir,

I and my wife both are physically challenged persons. We struggled with situations and completed our education up to graduation. At the same time I had started my sports activities and have been reached at the International sports. I had also represented India at Australia, Newzeland, China, Thailand and Malesia and won several gold medals. The Government of Maharashtra has honored me by the prestigious Shiv Chhatrapati Sports State Award for 1987.

I have been working for physically challenged person to encourage them towards sports. And I am proud to say that upto the last year, 24 players have been honoured by the Shiv Chhatrapati Sports State Award under my guidance. Till today 10 to 12 players have shown flying colours in international sports. This has been possible due to the establishment of Paralympic Association, and I am the former President of it. Besides this I am also working in different type of social activities which can be beneficial to physically challenged persons like literature conference, career guidance, distribution of wheel chairs, tricycles etc. Taking into consideration this social activities, I have been honoured by different state and national level awards in the field of social work by various social trusts.

My son **Bhuushan** is also studying very hard and giving his best. He secured 89.20% in 10th and 61.38% in 12th science. He is interested in BBA and he has also been giving his best in co curricular activities like sport and art.

He has got admission for **BBA(IB)** at MIT, Alandi. I have managed to pay Rs. 30000 in cash and given a post dated cheque Rs 23000 towards total fees of Rs 53000. But I am not in a condition to pay the remaining amount. Therefore I am humbly requesting you to please arrange for free scholarship education to my son.

I am very much obliged to you.

Thanking you, with kind regards,
