Competitive Examination Cell

REPORT (2014-15)

At MIT ACS College, we develop the personality of our students by providing them various platforms. Our college not only preparing and grooming students into academically meritorious and professionally efficient scholars but also strives to create a positive involvement of our students in order to reach the goal of clean and responsible administrator to strengthen the democracy.

Objectives of the Cell:

1. To create awareness and interest among the students about Civil Services.
2. To prepare the students to face the different competitive examination like MPSC.

In order to achieve this, we motivate our students for preparing various competitive exams by arranging 'Special Training Program'. The "Competitive Examination Cell" of our college organized intellectually stimulating activities such as lectures, created a Google group 'Competitive Examination Cell' on which students are informed about various recruitments through competitive Exams and useful information regarding these exams.
