FEEDBACK.

Feedback :-

Being an MITian, felt back home after a huge time span.

The arrangements were just in line as desired by us.

All the students looks motivated to know these things, few were assertive which has great potential as an institute.

One more thing, by arranging these sessions, it proves you fill value of making student learn about carrier options. This is rarely seen.

Thank for for courtesy extended.
Special thanks to staff officials.

Good Luck!
