**Report on Guest Lecture on Employment Awareness Program/ Career  
Guidance**

**Date: 12/07/2018**

**Objective:** To bring Awareness among the students about the competitive exam organize by Govt and Career Opportunity.

**Description:** Computer Science department and Placement Cell of MIT Arts, Commerce and Science College organized employment awareness/career guidance on 12<sup>th</sup> July 2018 in association by IBT institute, Pune for the students of B.Sc. (Computer Science) and B.Sc. (Regualr).

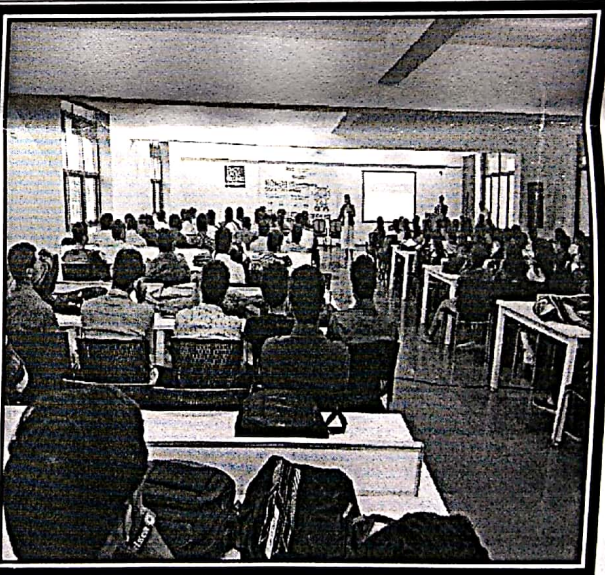

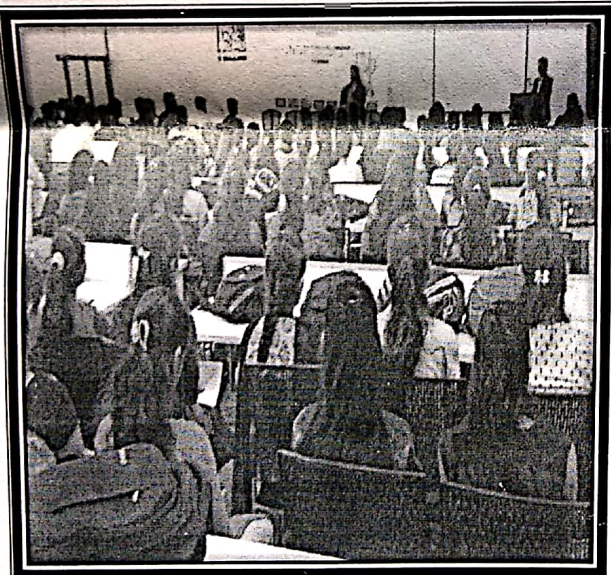

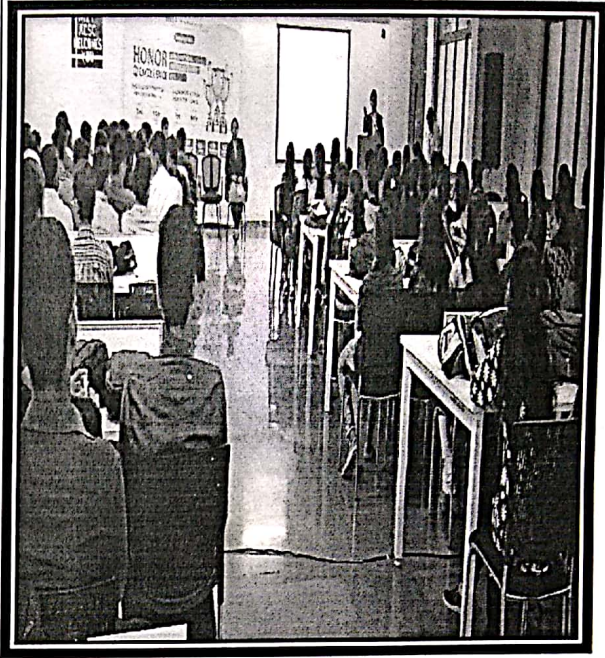

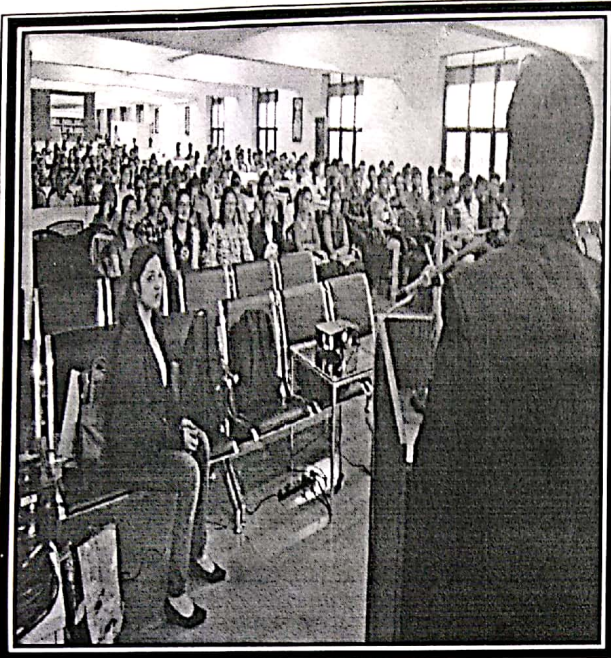

Mr. Mithilesh, BDO EAP, conducted the program from IBT institute, Pune . Program was divided into three sessions. In the first session Mr. Mithilesh delivered the lecture for personality development.

In this lecture he explained, that why personality development is important. He explained that, personality development helps you develop an impressive personality and makes you stand apart from the rest and personality development also plays an essential role in improving one's communication skills.

In the second session Mr. Mithilesh delivered a lecture regarding employment awareness. He gave an insight regarding the opportunities in civil services. Also explained that as a **civil** servant, **students** will have a direct hand in critical decisions and policy making in India. Unlike other government jobs, **civil services** give **you** the opportunity to represent your country on a global scale. He also stated that preparing yourself for competitive examinations is very important.

In the third session scholarship test was conducted for interested students. Students with maximum marks were selected for three months free coaching for preparation of competitive exams at IBT institute Pune and provided with free study material.

This program was conducted for the students of B.Sc. (Computer Science) and B.S.c (Regular). Total 183 students participated in this program.

## Report of Guest Lecture on “Opportunities in International Business”

Date: 5/01/2019

A Guest Lecture of Ms. Bharti Kumari, Alumni BBA & BBA – IB Dept was organized on 2<sup>nd</sup> January, 2019 on the topic of “Strategic Thinking and Accountability”.

The lecture is focused on growth and development of student’s strategic thinking base, specifically in relation to career sustainability.

The following techniques were shared to improve the student’s capability:

### SMART Goals:

- Specific
- Measurable
- Achievable
- Realistic
- Time bound

### FAST Goals:

- Frequent
- Ambitious
- Specific
- Transparent

The guest speaker addressed the following points throughout the session:

1. **Starting With the End in Mind, Make sure you can define and measure them.**
2. **Strengthen accountability for results.**
3. **Strengthen accountability for behaviors.**
4. **Build an employee population that acts like owners.**

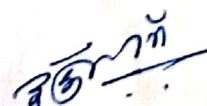

There was a huge response for the guest lecture, as 85 students attended it attentively & carried out an elaborate question answer session for next half an hour.

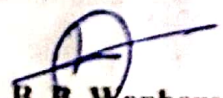

The guest alumnus was also very much overwhelmed with the student's interaction & participation in activity towards the learning of strategies.

**Outcome of the event:**

1. **Curiosity:** To generate hunger for sustainability within to understand how things work and strive to make broad connections and achieve new perspectives.
2. **Creativity:** The students learned to challenge the status quo in their operational space or piece of the value chain.
3. **Courage:** The young generation can take risks & are smart and calculative. They do their homework, gather critical information, and weigh the intelligence they've amassed before jumping in head first—but when it's time to strike, they don't hold back.
4. **Strategic Agility:** The best skill - agility is the jewel in the strategic leader's crown. Having the ability to execute on key objectives and initiatives with speed, ease, and precision is the strategic leader's ultimate weapon—one that will consistently help your business success. And when you have a team of these leaders working on your organization's behalf, the sky's the limit for your business.

Academic Year: 2018-2019

### Report on “Employee Awareness Program & Carrier Guidance”.

#### Objective of the Activity:

The aim of this activity is to guide students and make them aware about various carrier options after graduation. The mission of this project is to keep students informed about various jobs available in both government and private sectors.

#### Activity Details:

As the students are in the phase of completing their graduation they are unaware of the different types of jobs available in the market in both government and private sectors. So to make them aware and guide them to opt for different jobs, Department of Computer Application and IBT has taken an initiative of Employee Awareness Program among the students by giving presentations and delivering the lecture. Also Online exam was being conducted to test the aptitude of the students. The lecture was delivered by Mr. Mithilesh from IBT.

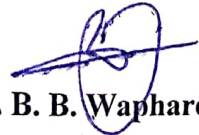

**Total 106 students** of Computer Application Department attended the program. The program was conducted on 13<sup>th</sup> July 2018.

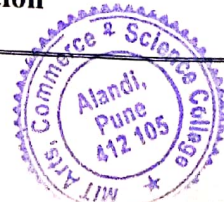

#### Outcome:

Prof. Aparna Khade & Prof. Akshada Kulkarni worked as mentor for the program. IBT gave good guidance to the students. Students of Computer Application Department were motivated by this activity. They got information about various job options. Also the levels of confidence have been increased.

"Orientation Programme on Tally-9.0 and Advanced Excel"

Date: 10th December 2018

In this cut-throat competitive era there is an intense need of various computer softwares to maintain efficiency in this corporate world. The department of Arts & Commerce organised Orientation programme on Tally 9.0 and Advanced Excel to make our students aware about the computer certification courses. Certified Computer Accountant (CCA) has gained popularity in imparting computer courses and has become successful in addressing the need of young aspirant students desiring for jobs in today's industries. The CCA-Representative-Shraddha Kapure extended a brief presentation on Tally 9.0 and Advanced excel to our students. The CCA-representative offered computerized courses in Tally ERP and Advanced Excel at a discounted rate to our students.

Students of FY,SY,TY B.com/ B.A actively participated in this Orientation programme. The Orientation programme ended with the vote of thanks given by the programme Co-ordinator Prof. Manasi Atitkar.

Date: 23 August 2019

**Report on Guest Lecture**

Department of Mathematics, MIT Arts, Commerce & Science College, Alandi (D) organized a guest lecture under Maths Club for B. Sc. students on "Application Of Geometry in Software Industry" on 23<sup>rd</sup> August 2019 at 11.30am-12.45pm. Mr. Ashish Kelkar (Aashai Technologies) was the key note speaker.

The session started with the introduction by Prof. Sushma Chalke & Felicitation of the guest by the Principal Dr.B.B.Waphare.

**OBJECTIVES:**

- To create interest and awareness of Application of Mathematics in various fields.
- To know the different job opportunities in various fields with Mathematics as the principal subject.

Mr. Ashish Kelkar Sir discussed about application of Geometry in various fields by giving live examples, the designing behind it and the various software used. He gave brief description about CAD/CAM/CAE software in which Geometry is used for making

- (i) Submarines – Propellers
- (ii) Designing of the curves and surfaces of cars, aeroplanes.
- (iii) Robotics
- (iv) Jewellery designing etc.

He also introduced Non – linear solver integration with Abascus/CAE in which

- (i) Development of sheet metal application was introduced.
- (ii) Optimization tool for CAE application
- (iii) CAM software implementation etc.

He enlightened the students by new and unique ideas by focusing on Application of Geometry.

**OUTCOMES:**

At the end of the lecture,

- The students came to know about the various application of geometry in various fields like robotics, car designing, shipping etc.
- The students came to know about the different job opportunities which will help them to decide their career.
- Increase student's motivation and improve students' positive attitude towards Mathematics.

Guest Lecture came to an end with a vote of thanks by Prof. Yashoda Sindhe.

**About Participants:**

The Guest lecture was organized for the students of F.Y / S.Y / T.Y.B.Sc. with Mathematics background. There were in all 62 students along with 9 faculties from Mathematics department.

**Acknowledgement:**

Department of Mathematics is grateful to Dr. B. B. Waphare, Principal MIT ACSC for supporting to arrange this Guest lecture. We are thankful to the supporting staff Mr. Mangesh Sonawane, Mr. Pankaj More, Mr. Balaji, Ms. Jyoti Tapkir, Mr. Krushna Gundre for all the necessary help they extended for organizing this lecture.
