Report on Face Painting

Date: 27-Jan-15

Objective - Giving students the opportunity to explore what it might be like to be someone or something else is important in developing their understanding of themselves and how they, and others fit in to the world around them.

Description- Interest in different identities by encouraging them to design and make their own costumes (using the sewing machine), make masks, and paint each other's faces. Face painting gives student the opportunity to practice fine motor skills, develop artistic and creative skills, encounter the unique sensory experience of having their faces painted, as well as giving them the opportunity to develop this art activity into imaginative social play with their peers. There were 8 participants.

Outcome: students should be able to experiment with and experience this form of art when they show an interest, but they need to take into account the limitations of time and daily routines.

Report on Minute To Win It

Date: 28-Jan-15

Objective - The Minute to Win It team building event is a great way to build team spirit with fun games. To develop mental ability of student.

Description- Minute to Win It games can be played and scored in several different ways and can be adjusted depending on the size of group. Typically, games are played individually at smaller parties (around 6-8 guests) and in groups at larger. In individual games, the player will try to race the clock (set at one or two minutes depending on the age of the party guests and the difficulty level of the challenge), and points will be awarded based upon whether or not the challenge is completed before time runs out. For these individual games, we usually opt to have players score 5 points if they complete the task on time, 0 if they do not. It is one of the games which ends up in limited time duration and thus it makes more interesting. There were 60 participants.

Outcome: students should be able to face variety of challenges which have to be completed in one minute.
