Kshitij ASG

Report on Sudoku

Date: 23-Jan-17

Objective- To raise the awareness and interest in Sudoku among all students. Through these intellectually stimulating puzzles, we aim to enable students to make use of mathematics and logical reasoning to solve problems both in the competition and in real life.

Description- A Sudoku competition was organized for the students. As the name suggests this activity was comprised of number puzzles of 4x4 grid, 6x6 grid and 9x9 grid. The students were eager to know about it and they did the activity with full zest. The Teacher In charges motivated the students. Sudoku, has dual function firstly it is full of fun and secondly it would sharpen their minds. A fully fledged participation was seen and students of each grade performed with enthusiasm. This activity made them learn how to play with numbers. There were 30 participants in the event.

Outcome: This competition developed interest amongst the students to study how to solve, generate and rate such puzzles.

Report on Best out of Waste

Date: 23 Jan-17

Objective- The objective of the competition was to create love for environment by making best out of waste with help of recyclable things.

Description- "Creativity, as has been said, consists largely of rearranging what we know in order to find out what we do not know. Hence, to think creatively, we must be able to look afresh at what we normally take for granted."--- George Kneller. BEST OUT OF WASTE is one such craft which follows this environmental friendly principle and at the same time creates useful and picturesque objects out of waste products. In order to make students aware of uses of waste material, and to give them a lesson on reducing waste to save our future, a 'Best out of Waste' competition was organized for students. Imaginative minds came together in a creative burst of energy. Mind-blowing, beyond expectation, fantabulous ideas were demonstrated by students. They prepared very creative and innovative models and art items from different waste materials. They used reusable and recyclable materials like news papers, shoe boxes, bangles, ice cream stick's and much more. From these items, they created an amazing array of display items and useful everyday objects leaving everyone totally impressed. The values like preservation, recycling, conservation, reduce, reuse etc are imbibed on the young heart and minds by demonstrating this noble act of caring our environment. It helped the students to develop their fine motor skills while using different kinds of material and also encouraged them to use waste material for making decorative and useable items. It was amazing to see how scrap could be transformed into such useful and beautiful articles. There were 7 participants in this event.

Outcome: These events brought nice ideas to students and make them able to think themselves on such ways of reusing everyday materials that will not only reduce the waste but provide them with useful household products. The idea will not only be of economic and material value for students, but will be helpful in creating environmental consciousness among them that is the need of the hour.

Report on Minute To Win It

Date: 24-Jan-17

Objective - The Minute to Win It team building event is a great way to build team spirit with fun games. To develop mental ability of student.

Description- Minute to Win It games can be played and scored in several different ways and can be adjusted depending on the size of group. Typically, games are played individually at smaller parties (around 6-8 guests) and in groups at larger. In individual games, the player will try to race the clock (set at one or two minutes depending on the age of the party guests and the difficulty level of the challenge), and points will be awarded based upon whether or not the challenge is completed before time runs out. For these individual games, we usually opt to have players score 5 points if they complete the task on time, 0 if they do not. It is one of the games which ends up in limited time duration and thus it makes more interesting. There were 70 participants.

Outcome: students should be able to face variety of challenges which have to be completed in one minute.

Report on Swarsaaj - Intercollegiate Singing Competition

Date: 31st Dec, 2016

Objective- To provide opportunities and guidance to prepare students for a professional life in music through mentorship, internships, entrepreneurial experience.

Description- There was 47 participants in this content. Judges shortlist the best participants in this first round. Music binds our soul, hearts and emotions. Music is the best method of relaxation. It cheers the spirit and lightens the heart. In fact through singing students learn to express their feelings and ideas. To bring out the singing talent of the students an Inter-collegiate singing Competition was organized at MIT ACSC.

The theme of the competition was patriotic songs. The students sang the songs with lot of passion, confidence and patriotic feeling. The melodious songs pulled the heartstrings of the audience. Each participant showed their mastery over voice modulation, pitch, rhythm and tone. The students showcased a sense of pride, self-esteem and self-confidence as a result of the competition. Judges were impressed with the confidence, the tonal quality and the fervour with which they sang the patriotic songs.

Outcome: Developed an analytical, creative, and intuitive understanding of music as a cultural language amongst the student.
