# Training And Development Policy

---

Training needs to be given to enable the staff to perform their professional functions more effectively. They are motivated and learn to take initiative, personal responsibility, cooperate and work in team at all levels. It is a human resource development process, resulting in change of behavior and developing or refining Institutional systems and procedures that will support an individual's efforts while working.

Identification of training areas will be done by the immediate superior (HOD) and as per the requirements, the HOD will arrange training programmes with the help of HR Department. Suggestions from the staff may also be invited regarding the areas in which they feel training is required.

All newly joined faculty members will have to undergo faculty orientation programme to understand the philosophy and functioning of the Institution. The duration of the programme may vary as per needs.

As far as possible, the basic training sessions will be organized in-house like ISO 9001:2008 awareness, health awareness etc. Employees will also be encouraged to go for trainings sponsored by ISTE, SPPU, DTE, UGC, AICTE, IITs etc.

However, the Institution encourages its entire staff to undergo QIPs and to attend other trainings & seminars as part of faculty development program. Each department at the beginning of an academic year will be made aware of the budget allocated for that year to meet such expenses.

Heads of departments / sections shall ensure that every employee gets an even opportunity to undergo faculty development programmes.

A record of trainings will be kept by HR for all employees in their personal files. The Institution will encourage and support the training and development of all its staff members and is dedicated to promoting a vibrant team of employees.

### **SEMINARS AND WORKSHOPS:**

- i. For attending seminars and workshops, approval from the head of Institution is required.
- ii. For tours, prior approval from the head of Institution is required.
- iii. For tours within the country, registration fee can be paid by the Institution and TA/DA rules remain the same.
- iv. For tours outside India, prior permission regarding the travel and travel expenses ought to be taken.

### **HIGHER STUDIES :**

1. Faculty members are also encouraged to take up higher education.
2. Every year one permanent faculty member from each program may be permitted to go on paid leave For a period of not more than one semester to pursue Ph.D.
3. Ph.D. has to be pursued only in the IISC or any of the IITs (or from any reputed Institution or University). Various modes of admission to these Institutions are available, wherein a Ph.D. student has to spend only one semester at the place of research.
4. Candidates selected through the Quality Improvement Program (QIP) may be relieved for a period of 3 years during which they may be entitled for half pay. Ph.D. has to be completed in the period of 3 years.
5. Candidates sponsored by the Institution will have to serve the Institution for a minimum period of 6 years after the completion of their Ph.D. and shall have to execute a bond supported by a bank guarantee accordingly.
6. Candidates desirous of pursuing post doctoral research (PDR) in India or abroad may be relieved of their duties for the duration of the project they are selected for. This duration however is subject to a maximum of 2 years. (Institution may adequately compensate for the loss of pay, if any, caused due to pursuing of PDR.)

## **Application Process**

### **Objective**

Training needs to be given to enable to faculty members/staff to perform their professional functions effectively as well as achieve improved motivation, initiative, personal responsibility, cooperation and team work among the staff at all levels. It is a human development process, resulting in a change of behavior; and developing or refining Institutional systems and procedures that will support individual efforts while working.

### **Eligibility**

Identification of training areas will be done by the immediate superior (HOD) and as per the requirements the HOD will arrange the training programs with the help of HR Department. Suggestions from the staff may also be invited regarding the areas in which they feel training is required. Faculty/staff members are also encouraged to take up higher education.

Every year one permanent faculty member who has completed minimum 2 years with the Institution from each program may be permitted to go on study leave for a period of not more than three years to pursue higher studies in India or Abroad.

**Process :**

The Institution may compensate half gross pay of the Faculty member for the approved period.

The faculty member will have to give an application to the management with the details of program attached for approval at least 2 months in advance. Whether or not to approve such leave is management's discretion.

If the study leave is sanctioned and the management is compensating half gross pay, the faculty member will have to sign an agreement (bond) – **Annexure XVIII** with the Institution for a period of minimum 2 years or more.

If the faculty member fails to abide by the agreement he/she will have to repay the compensated amount with penalty as mentioned in the agreement. If he/she fails to complete the program in stipulated time the Institution will stop paying him/her the half salary for the extended period and whether to sanction the extended leave or not will be at the discretion of the management. (If he/she fails to complete the program still will have to pay penalty amount.)

The penalty amount would be calculated @ 18% interest per annum on the total half salary paid to the faculty member.

**Annexure XVIII : Agreement Bond**

# Certificate

This is to certify that Prof. /Dr./Mr./Mrs. Sunil Mahajan.

of MIT ACS College, Alandi, Pune

has participated in one day State Level Seminar on

**" Role of Advanced Sensors in the Development of Smart City "**

on Wednesday, 28<sup>th</sup> September 2016

Organized by

**Department Of Electronic Science**

Under Quality Improvement Programme of Savitribai Phule Pune University  
in association with

Society for promotion of Excellence in Electronics Discipline (SPEED)

Prof. Varsha Joshi  
Head,  
Department of Electronics

Dr. Sanjay Kharat  
Principal  
Modern College, Pune-16

Prof. Prakash Dixit  
Dy. Secretary, P. E. Society,  
Visitor, Modern College, Pune-16

Prof. Suresh Todkar  
Jt. Secretary, P. E. Society,  
L. M. C. Chairman,  
Modern College, Pune-16

Prof. Mrunalini Bhadane  
Coordinator  
State Level Seminar
