ACADEMIC YEAR 2017-18

REPORT

ON

INDUCTION PROGRAM

FOR

FYBA, BCOM, BSC, BBA, BBA- IB, and BCA

Event Title: Induction Program for academic year – 2017-18

Date of the Event : 10th July, 2017

OBJECTIVES OF THE EVENT :

1. To extend a warm welcome to the newly admitted students of first year
2. To introduce the college, course and faculty members to the students.
3. To introduce curriculum and academic activities.
4. To make students aware about code of conduct, anti-ragging cell and rules and regulations of college.

MIT ACSC has an excellent reputation as a leader & pioneer in spreading education to wide community with its rich academic and cultural heritage which contributes in developing noble citizen to the society. It has committed to engage alumni, students, faculties and other stakeholders collectively to achieve the educational goals.

The college offers undergraduate and postgraduate programs- Like Bachelor of Arts, Bachelor of Commerce, Bachelor of Business Administration, Bachelor of Business Administration-

International Business, Bachelor of Administration- Computer Application, Bachelor of Science, Bachelor of Science-Computer Science, and Master of Science-Computer Science.

The college has received Education Excellence Award for best placements amongst Educational Institutions in Pune, Maharashtra, Best College Award in Rural Area by Savitribai Phule Pune University for two consecutive years 2015-16 & 2016-17, The college takes pride for its past achievements, present progress and also takes responsibility for its bright future

The Bachelor of Arts and Commerce Degree is designed to provide the student with a wide range of managerial skills at the same time building competence in a particular area of business studies. Students graduating with a major in arts may become professional artists or pursue careers in such diverse areas as arts management, museum and gallery practices, communication technologies, public school teaching, media arts, publishing, of the social domain. Many students who want to teach at the college level continue their education in graduate school.

Whereas Department of Computer Application provides practical knowledge about different applications of computers in day to day life.

BBA-IB course strives to maintain and achieve a balance between practical and theoretical aspects of international business. The course equips the students with knowledge in the areas of International Marketing, Foreign Trade and policies, International Economics, Export and Import, Supply Chain Management, Global HRM etc.

Department of Computer Science runs on the objective of imparting quality education in the field of Computer Science. With rapidly evolving technology and the continuous need for innovation, the department has always produced quality professionals, holding important positions in the Information Technology industry in India and abroad.

Keeping in view the role of commerce in the life of a student, College organized an induction program for the first year students of BCOM ,BA,BCS,BSC,BBA And BCA on 11th July 2016 This program was conducted to give an orientation of the College and a department as a whole.

Heads of the various departments imparted their views and information of the respective Departments. They threw a light upon the curriculum outcome and program outcome of the department throughout these years. They Also informed new students about various important

student centered committees and their functioning in the college. Committees like Anti-ragging committee, Internal complain committee, Student Grievance Cell etc. and briefed about the role of parents and teachers in the students' life and shared information on the Parents teacher Meet (PTM) engaged in the college ever year for the better communication between teacher and the parents. Their main focus of the speech was on the nature , scope, challenges and outcomes of the course.

Dr. B.B. Waphare , Principal of the college chaired the session in which he guided all the parents and students on this occasion. He briefly told about the university pattern for the course which is being maintained and executed in the institute. He also informed about various certificate and add on courses engaged in the college.

These courses are designed taking into consideration the latest trends and the market requirements of human resource. These courses prove to be a great help to the students for understanding the industry expectations, need to groom themselves accordingly and in turn result into enhancement in their employability and entrepreneurship skills. He briefly talked upon the Placement cell of the college as it is predominantly present in all industrial sectors in order to bridge the gap of industry and better professionals in today's scenario. He emphasized on the library ,which is the epitome of knowledge in any institute also talked about code of conduct which are to be cultivated within every mind and how they can shape the future and make good professionals from this college.

His main focus of speech was on the holistic development of the student

Program ended with the hope of better future of the pupils being a vital part of teaching – learning process.

Discipline Committee

Rules, Regulation and Student's Code of Conduct

1. Students shall not engage themselves in action that are offensive to good and are disservice to succeeding generation of students of the college.
2. Students must observe strict discipline in the campus; behave with dignity and courtesy to the principal, faculty members, administrative staff, visitors and fellow students.
3. Political activities and the functioning of student's organization are strictly banned in the campus. Unofficial meetings, strikes, demonstrations, agitations, and fund collection are strictly prohibited. Students who violate the above rules are liable to be dismissed from the college summarily.
4. No student shall bring in to the college campus any banner, flag, board, notice, pamphlet or other such materials for purpose of any political activity of student organizations or other organizations.
5. No meeting or entertainment shall be organized nor any fund collected in the college without the permission of the Principal.
6. Students should not go outside the college during class hours. In the event of unavoidable necessity they should seek special permission of the Principal / Head of the Department.
7. Students shall always wear identity cards issued by the college and show them as and when demanded by the Principal, teachers and office staff/ security staff.
8. No student shall use or keep in possession alcoholic drinks or drugs. Using/keeping of these items will lead to immediate expulsion of the student from the college.
