

“Economics Planning Forum”

Name of the Activity : “NAMO SCHEME” Project Competition

Objective : To develop the interest and knowledge of economics among students through such project competitions.

Inaugurated and Addressed by – Prof. Archana Aher

Under “Economics Planning Forum” competition “NAMO Scheme” was organized for B.com & BA students on 10th July 2019.

Students were asked to select one NAMO Scheme in a group and study it. Also to submit the write-up as per given format in innovative way.

Students said that this competition is useful to develop interest in economics as a student. It is also helpful to get knowledge about NAMO Scheme being a citizen of India.
