

Visit by German Delegates to MIT Arts, Commerce and Science College, Alandi (D), Pune

Alandi, Pune: A team of researchers from Germany visited to MAEER's MIT Arts Commerce and Science College, Alandi (D) Pune on 22 July 2022. This team was comprised of the Economist and Senior researcher Dr. Bernd Klauer, Economist and Sustainability Scientist Christian Klassert and Sustainable Development Expert Ms. Jasmin Heilmann. The team was accompanied by Dr. Kailas Bawale, Coordinator, Dr. Dhananjay Gadgil Center for Sustainable Development, Gokhale Institute of Politics and Economics, Pune and some other research students.

The purpose of the visit was to study the implementation of the extension activities for sustainable development by the college under different departments such as Unnat Bharat Abhiyan, National Service Scheme, Student Development Cell and other academic departments. The team members visited to an adopted village by the college and observed the sustainability projects implemented there.

Principal, Dr. B. B. Waphare welcomed the guests and introduced about the college, the various academic programs and the college contribution in the sustainable development of the nearby area and the society. Vice Principal Dr. Manasi Atitkar, Vice Principal Akshada Kulkarni, Head of Computer Science Prof. Rashmi Lad, Head of Business Administration Dr. Amol Mane, Head of Mathematics Prof. Vijayalaxmi Kothiwale were present during the visit.

Dr. Mangesh Bhole, Student Development Officer and Prof. Shriram Kargaonkar, Head of Statistics Department, NSS Programme Officer and Unnat Bharat Abhiyan Coordinator presented the detailed report of extension activities to acquaint the delegates about the college engagement in community development.

The team of the researchers admired the substantial work in the field of extension along with the excellent academics and the efforts taken by the college at the ground level.

Team during visit to college
