Arts, Commerce & Science College

Department of Arts & Commerce
Academic Year 2022-23
Training Program
REPORT

Date: 25th February, 2023

Name of the program: Preskilet Software Training Program

Date: 25 February, 2023

Beneficiaries: 59

Objectives:

- To make aware about Preskilet Software.
- To develop presentation skill.
- To develop communication skill.
- To build confidence.

Details:

Department of Arts and Commerce organized Preskilet Software Training Program for the students. Trainers Mr. Dhanesh Pawar and Mr. Shoeab Shaikh explained how this software helps the students to improve presentation and communication skills. With the help of this s/w students can prepare and upload their video presentations, video resume etc. The software helps faculties in online assessment of these videos. They explained that how these uploaded the video resume will be sent to recruiters for placement.

Everyone enjoyed the program. Prof. Pravin Kharat coordinated the session. Dr. Padmavati S. Undale, Head of Arts and Commerce Department, in her address guided the students and encouraged the students to make use of this software. Principal, Dr. B. B. Waphare and Vice Principal Prof. Akshada Kulkarni supported to make this session successful.
