Report on Guest Lecture on topic

“International Experience and Exposure.”

A Guest lecture on the topic “**International Experience and Exposure.**” was organized by the department of BBA & BBA IB on 23rd February, 2023 with the speaker **Dr. Janhavi Inamdar, Dean, International Relations, MIT AOE, Pune.**

The lecture gave exposure to the students about how the process of conscious thinking begins and how it can be made useful by giving it a direction in the form of critical thinking. A one hour guest lecture established a curiosity in the minds of participants making an influence.

The session started with a welcome note by a second year BBA IB student Aakash Jangid followed by the introduction of the guest by another first year BBA student Tanishka Veer. The guest was felicitated by the Principal Dr. B. B. Waphare in the presence of various faculty members. The guest lecture started with an introduction to International opportunities in various colleges and Universities.

The Guest highlighted the following points:

1. Education facilities in US, UK, CANADA, SINGAPORE.
2. Fees structure & scholarships policies.
3. Entrance exam preparation & criteria of passing for selection.
4. Admission process as per Country
5. Educational loan facilities & repayment schemes.

It was followed by a Question and Answer Session where the guest answered all the questions of the participants. Towards the end, the HOD Dr. Mangesh Bhople gave his Remark on the session and it ended with a vote of thanks by a second year BBA IB student Samruddhi

Ingale. Total 160 participants attended this event in those 98 females and 62 males candidates were present.

Outcome of the event:

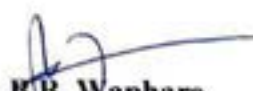

1. Students realized the need of development of a critical approach to a given scenario while understanding and analyzing it.
2. Students developed an approach to take initiative by developing an attitude of thinking.
3. Students recognized that thinking leads to self-awareness and self-awareness is the key to the development of analytical approach.
4. Students understood that thinking is a process and it starts sub-consciously without being aware of it but critical thinking adds the awareness.
5. Considering different perspectives for the same event avoids many misunderstandings automatically resolving issues.
6. How to develop the attitude of conscious thinking?
7. How to think critically and make the maximum benefit of thinking critically.
8. Being Patient and curious for listening.
9. Awareness about various government and private scholarships for international summer & winter internship program.
10. Developed insights and knowledge about multiple international institutions regarding summer internship program.
