### Report of Guest lecture on Financial Literacy

#### Objective:

The main goal for conducting this program is:

The objective of a financial literacy program typically revolves around empowering individuals with the knowledge, skills, and confidence to effectively manage their finances.

Here are some specific objectives commonly associated with financial literacy programs:

- 1. Increase Financial Knowledge:** Educate participants about key financial concepts such as budgeting, saving, investing, debt management, retirement planning, and insurance.
- 2. Promote Responsible Financial Behavior:** Encourage participants to develop responsible financial habits and behaviors that lead to long-term financial stability and well-being.
- 3. Enhance Decision-Making Skills:** Provide participants with the skills and tools needed to make informed financial decisions evaluate financial products and services, and avoid common financial pitfalls.
- 4. Build Confidence in Financial Management:** Boost participants' confidence in their ability to effectively manage their finances and navigate complex financial situations.
- 5. Address Specific Needs:** Tailor the program to address the specific financial needs and challenges faced by the target audience, such as students, young adults, low-income individuals, or retirees.
- 6. Promote Financial Goal Setting:** Assist participants in setting realistic financial goals and developing action plans to achieve them, whether it's saving for a house, paying off debt, or planning for retirement.

### Activity Details:

Computer Application Department was organized Guest Lecture on “**Financial literacy**” on 20<sup>th</sup> February 2024 in the MIT Arts, Commerce and Science College, Class Room 006. For this lecture Dr. Vikas Mahandule sir, HOD of Computer Application Department introduced the Guest speaker and explained brief idea and importance of program. The program was planned by Prof. Amol Kale sir, Prof. Dipali Tawar mam, Bharti Kawade Mam. For this lecture Hon. Mrs. Pravina Nitin Oswal (P.N. Oswal & Co.) guided the students on the topic Financial Literacy. A total of 56 students of the college were present for this guest lecturer in which the guest were guided to students on many topics such as financial related knowledge and planning, financial behaviour, decision making skill in financial management. The guest and students participated in this program spontaneously. Dipali Dawar mam gave vote of thanks for this program.

Feedback was taken from students and analysed. Feedback from participants indicated high satisfaction and engagement.

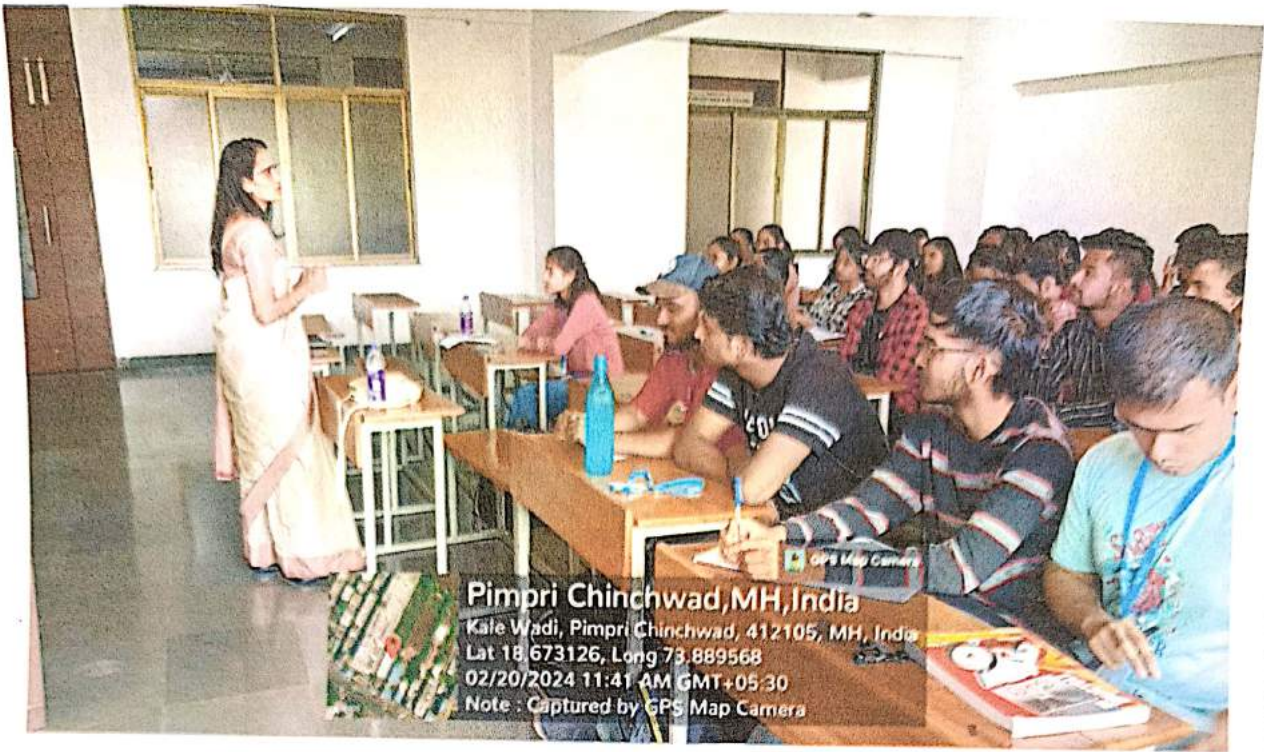

### Outcome:

- 1. Enhanced Financial Knowledge:** Participants demonstrated improved understanding of key financial concepts such as budgeting, saving, and investing.
- 2. Improved Financial Behaviors:** Participants exhibited positive changes in financial behaviors, including increased savings rates, reduced debt, and more responsible spending habits.
- 3. Increased Confidence:** Participants reported feeling more confident in managing their finances and making informed financial decisions.
- 4. Greater Access to Resources:** Participants gained awareness of and access to financial resources and support services available to them.
- 5. Long-term Impact:** The program's outcomes suggest the potential for long-term financial stability and well-being among participants, with implications for future financial decision-making and resilience.
