Report on eClerx - One day training program

Date: 20th July 2024

Name of the Activity : “eClerx -students one day online training program”

Objectives: To concentrate on fostering abilities, including critical thinking, teamwork, communication, and problem-solving.

Date : 20th July 2024

Venue : Lab 1, 2, 3

“eClerx -students one day online training program” was successfully organized by the Department of Arts & Commerce in association with Training and Placement Cell on Saturday, 20th July 2024 under the guidance of Dr. Padmavati Undale, HoD Arts & Commerce. The program aimed to concentrate on fostering abilities, including critical thinking, teamwork, communication, and problem-solving.

In-depth discussion on fundamental concepts and principles related to Types of Financial Markets, Market Participants & their Function, Risks & Types of risk, Investment Banking etc topics were made with help of innovative presentation.

Question and Answer session was conducted. It was open forum for participants to ask questions and discuss challenges related to financial market.

57 students attended this program and feedback from them indicated that they found the session highly informative and beneficial. Many students appreciated the practical tips provided and expressed increased confidence in their ability to navigate the job market.

The training program was successful in achieving its objective of preparing students for the challenges of securing employment. It equipped them with the necessary tools and knowledge to enhance their employability and present themselves effectively to potential employers.
