**Name of the Activity : “Professional Consultation Program on topic “Awareness of Cyber Security”**

**Objectives:** To orient students with risks and threats associated with cyber-attacks.

**Date : 31<sup>st</sup> July 2024**

**Venue : TRN 301**

The Professional Consultation Program on topic “Awareness of Cyber security” was successfully organized by the Department of Arts & Commerce on Wednesday, 31<sup>st</sup> July 2024 under the guidance of Dr. Padmavati Undale, HoD Arts & Commerce. The program aimed to orient students with risks and threats associated with cyber-attacks to prevent and mitigate human risk.

**Prof. Sachin Ponde (Assistant Professor – Computer Applications department, MIT ACSC )** was the resource person for this program. He explained the importance of cyber security, common threats, and best practices for protecting digital assets. He described various types of Cyber security such as Phishing, Malware, Social Engineering, Hacking and Data Breaches etc. He told about some best Practices for Cyber Hygiene such as Password Management, Software Updates, Secure Connections, Data Protection etc.

27 students attended this program and feedback from them indicated that they found the session highly informative and beneficial. It successfully raised awareness about cyber security and equipped participants with essential knowledge and skills to protect against cyber threats. While the program was well-received and achieved its primary objectives, there are opportunities for improvement to enhance the depth and breadth of the content and provide additional resources for ongoing learning.

This Professional Consultation Program ended with the vote of thanks proposed by Dr. Archana Aher.
