Report on Professional Consultation Program

Date: 14th September 2024

Name of the Activity: “Professional Consultation Program on topic “Alumni Insight: Pathways to Success”

Objectives: To provide students with practical advice, career strategies, and networking opportunities that enhance their placement prospects and prepare them for successful transitions into their chosen fields.

Date : 14th September 2024

Venue : TRN 301

The Professional Consultation Program on “**Alumni Insight: Pathways to Success**” was successfully organized by the Department of Arts & Commerce on Saturday, 14th September 2024 under the guidance of Dr. Padmavati Undale, HoD Arts & Commerce. This program is organized to provide students with practical advice, career strategies, and networking opportunities that enhance their placement prospects and prepare them for successful transitions into their chosen fields. **Ms. Harshada Deshmukh** (Associate Process specialist, Yardi Software India Pvt Ltd.) was the resource person for this program. She discussed the need to identify strengths and weaknesses and creating action plans to achieve professional aspirations effectively. She explained various documents to keep ready as early as possible from the perspective of placement. She shared valuable insights and practical tips based on extensive experience in the placement department.

She shared her personal experiences, including challenges faced and strategies for overcoming them. She focused on the current insights into the industry, including emerging fields and expected future developments. She highlighted building and maintaining professional relationships as a crucial element of career success.

39 students attended this program and feedback from them indicated that they found the session highly informative and beneficial. Many students appreciated the practical tips provided and expressed increased confidence in their ability to navigate the job market.

The "Alumni Insight: Pathways to Success" program successfully met its objectives by providing students with valuable guidance, industry insights, and networking opportunities. Moving forward, incorporating additional industry-specific sessions and expanding networking opportunities could further enhance the program's impact.

This Professional Consultation Program ended with the vote of thanks proposed by Dr. Archana Aher.
