4. Learning Outcomes

The orientation programme was successfully conducted for the F.Y. BCA students, providing them with a comprehensive understanding of their academic structure and the various institutional facilities and support services. The sessions encouraged students to take an active interest in research, innovation, cultural activities, sports and social initiatives. Overall, the sessions were informative and interactive, enabling students to confidently plan and pursue their academic, co-curricular and extra-curricular activities. The key outcomes are summarised below:

Focus Area	Outcome
Academic clarity	Understood the NEP-aligned curriculum structure and examination pattern under autonomy.
Facilities & rules	Learned the library code of conduct and how to make the best use of library facilities.
Well-being	Became aware of mental, emotional and physical well-being through meditation and yoga sessions.
Research & enterprise	Discovered opportunities in Research & Development, and the IIC, EDC and Incubation Cells.
Careers & skills	Understood training, placement and communication-skill development opportunities through the T&P Cell and Cambridge English Programme.
Rights & grievance	Became aware of the IC (Internal Committee) and available grievance redressal mechanisms.
Digital safety	Gained awareness of cyber security and safe digital practices.
Holistic growth	Explored NSS, sports, cultural, magazine and committee activities, and built strong friendships with new classmates through team-building and the local area visit.

5. Conclusion

The seven-day orientation programme for F.Y. BCA students was conducted successfully and achieved its intended objectives. It gave the newly admitted students a clear understanding of the NEP-aligned academic structure and awareness of the college's facilities, cells, committees and support services. The programme created a welcoming and supportive environment, helped students transition smoothly into higher education, and motivated them to participate actively in academic, co-curricular and extra-curricular activities as they begin their journey in the Department of Computer Application.
